## **PART I**

### **EXTERNAL COMMERCIAL BORROWINGS (ECB)**

At present, Indian companies are allowed to access funds from abroad in the following methods:

(a) External Commercial Borrowings (ECB) refer to commercial loans in the form of bank loans, buyers' credit, suppliers' credit, securitized instruments (e.g. floating rate notes and fixed rate bonds, non-convertible, optionally convertible or partially convertible preference shares) availed of from non-resident lenders with a minimum average maturity of 3 years.

(b) Foreign Currency Convertible Bonds (FCCBs) mean a bond issued by an Indian company expressed in foreign currency, and the principal and interest in respect of which is payable in foreign currency. Further, the bonds are required to be issued in accordance with the scheme viz., "Issue of Foreign Currency Convertible Bonds and Ordinary Shares (Through Depository Receipt Mechanism) Scheme, 1993", and subscribed by a non-resident in foreign currency and convertible into ordinary shares of the issuing company in any manner, either in whole, or in part, on the basis of any equity related warrants attached to debt instruments. The ECB policy is applicable to FCCBs. The issue of FCCBs is also required to adhere to the provisions of [Notification FEMA No. 120/RB-2004 dated July 7, 2004](#), as amended from time to time.

(c) Preference shares (i.e. non-convertible, optionally convertible or partially convertible) for issue of which, funds have been received on or after May 1, 2007 would be considered as debt and should conform to the ECB policy. Accordingly, all the norms applicable for ECB, viz. eligible borrowers, recognised lenders, amount and maturity, end use stipulations, etc. shall apply. Since these instruments would be denominated in Rupees, the rupee interest rate will be based on the swap equivalent of LIBOR plus the spread as permissible for ECBs of corresponding maturity.

(d) Foreign Currency Exchangeable Bond (FCEB) means a bond expressed in foreign currency, the principal and interest in respect of which is payable in foreign currency, issued by an Issuing Company and subscribed to by a person who is a resident outside India, in foreign currency and exchangeable into equity

share of another company, to be called the Offered Company, in any manner, either wholly, or partly or on the basis of any equity related warrants attached to debt instruments. The FCEB must comply with the “Issue of Foreign Currency Exchangeable Bonds (FCEB) Scheme, 2008”, notified by the Government of India, Ministry of Finance, Department of Economic Affairs vide Notification G.S.R.89(E) dated February 15, 2008. The guidelines, rules, etc governing ECBs are also applicable to FCEBs.

(e) ECB can be accessed under two routes, viz., (i) Automatic Route outlined in paragraph I (A) and (ii) Approval Route outlined in paragraph I (B).

(f) ECB for investment in real sector-industrial sector, infrastructure sector-in India, and specified service sectors as indicated under para I (A) (i) (a) are under Automatic Route, i.e. do not require Reserve Bank / Government of India approval. In case of doubt as regards eligibility to access the Automatic Route, applicants may take recourse to the Approval Route.

#### **I.(A) AUTOMATIC ROUTE**

The following types of proposals for ECBs are covered under the Automatic Route.

##### *i) Eligible Borrowers*

(a) Corporates, including those in the hotel, hospital, software sectors (registered under the Companies Act, 1956) and Infrastructure Finance Companies (IFCs) except financial intermediaries, such as banks, financial institutions (FIs), Housing Finance Companies (HFCs) and Non-Banking Financial Companies (NBFCs) are eligible to raise ECB. Individuals, Trusts and Non-Profit making organizations are not eligible to raise ECB.

(b) Units in Special Economic Zones (SEZ) are allowed to raise ECB for their own requirement. However, they cannot transfer or on-lend ECB funds to sister concerns or any unit in the Domestic Tariff Area. ECB by units in SEZ are also governed by the Press Release F.No.4 (2) / 2002-ECB dated September 15, 2002 issued by Government of India, Ministry of Finance (MOF).

(c) Non-Government Organizations (NGOs) engaged in micro finance activities are eligible to avail of ECB.

(d) Micro Finance Institutions (MFIs) engaged in micro finance activities are eligible to avail of ECBs. MFIs registered under the Societies Registration Act, 1860, MFIs registered under Indian Trust Act, 1882, MFIs registered either under the conventional state-level cooperative acts, the national level multi-state cooperative legislation or under the new state-level mutually aided cooperative acts (MACS Act) and **not** being a co-operative bank, Non-Banking Financial Companies (NBFCs) categorized as 'Non Banking Financial Company-Micro Finance Institutions' (NBFC-MFIs) and complying with the norms prescribed as per [circular DNBS.CC.PD.No. 250/03.10.01/2011-12 dated December 02, 2011](#) and Companies registered under Section 25 of the Companies Act, 1956 and are involved in micro finance activities.

NGOs engaged in micro finance and MFIs registered as societies, trusts and co-operatives and engaged in micro finance (i) should have a satisfactory borrowing relationship for at least 3 years with a scheduled commercial bank authorized to deal in foreign exchange in India and (ii) would require a certificate of due diligence on 'fit and proper' status of the Board/ Committee of management of the borrowing entity from the designated AD bank.

*ii) Recognised Lenders*

Borrowers can raise ECB from internationally recognized sources, such as (i) international banks, (ii) international capital markets, (iii) multilateral financial institutions (such as IFC, ADB, CDC, etc.) / regional financial institutions and Government owned development financial institutions, (iv) export credit agencies, (v) suppliers of equipments, (vi) foreign collaborators and (vii) foreign equity holders [other than erstwhile Overseas Corporate Bodies (OCBs)].

A "foreign equity holder" to be eligible as "recognized lender" under the automatic route would require minimum holding of paid-up equity in the borrower company as set out below:

- (i) For ECB up to USD 5 million - minimum paid-up equity of 25 per cent held directly by the lender,
- (ii) For ECB more than USD 5 million - minimum paid-up equity of 25 per cent held directly by the lender and ECB liability-equity ratio not exceeding 4:1

Besides the paid-up capital, free reserves (including the share premium received in foreign currency) as per the latest audited balance sheet shall be reckoned for the purpose of calculating the 'equity' of the foreign equity holder in the term ECB liability-equity ratio. Where there are more than one foreign equity holder in the borrowing company, the portion of the share premium in foreign currency brought in by the lender(s) concerned shall only be considered for calculating the ECB liability-equity ratio for reckoning quantum of permissible ECB.

For calculating the 'ECB liability', not only the proposed borrowing but also the outstanding ECB from the same foreign equity holder lender shall be reckoned.

Overseas organizations and individuals providing ECB need to comply with the following safeguards:

- (i) **Overseas Organizations** proposing to lend ECB would have to furnish to the AD bank of the borrower a certificate of due diligence from an overseas bank, which, in turn, is subject to regulation of host-country regulator and adheres to

equivalent of the amount paid by the non-resident guarantor against the invoked guarantee.
