All NBFCs

Dear Sir,

Know Your Customer (KYC) guidelines - accounts of proprietary concerns

2. Reserve Bank has been receiving representations pointing out difficulties in complying with the requirement of furnishing two documents as activity proof while opening accounts of sole proprietary firms in certain cases. It is possible that in some types of activities there is genuine difficulty in procuring two such documents. The matter has, therefore, been reviewed with a view to ease the process of opening accounts of proprietary concerns in such cases. The default rule is that any two documents, out of those listed in paragraph 2 of the above mentioned circular, should be provided as activity proof by a proprietary concern. However, in cases where the NBFCs are satisfied that it is not possible to furnish two such documents, they would have the discretion to accept only one of those documents as activity proof. In such cases, the NBFCs, however, would have to undertake contact point verification, collect such information as would be required to establish the existence of such firm, confirm, clarify and satisfy themselves that the business activity has been verified from the address of the proprietary concern.

3. It is also clarified here that the list of registering authorities indicated in paragraph 2(i) of the above mentioned circular is only illustrative and therefore includes license/certificate of practice issued in the name of the proprietary concern by any professional body incorporated under a statute, as one of the documents to prove the activity of the proprietary concern.

4. NBFCs may revise their KYC policy in the light of the above instructions and ensure strict adherence to the same.

Yours faithfully,

(Sindhu Pancholy)
