**Investment by FIIs under PIS :
M/s Dynamatic Technologies Limited**

The Reserve Bank of India has today notified that under the Portfolio Investment Scheme (PIS), Foreign Institutional Investors (FIIs) can now purchase equity shares and convertible debentures of M/s Dynamatic Technologies Limited, through primary markets and stock exchanges in India. The purchases can be made up to 100 per cent of the paid up capital of the company, as it has passed a resolution to this effect at the Board of Directors' level and at the Extra-Ordinary General Body Meeting. The purchases of equity shares by a single FII/Security and Exchange Board of India approved sub-account of a registered FII in the above company should, however, not exceed 10 per cent (ten per cent) of the paid-up equity capital of the companies.

The revised FII limit of 100 per cent is within the overall 100 per cent FDI limit applicable to the company.
