RE Revised Estimates.

BE Budget Estimates.

Note : 1. Total expenditure in this table is inclusive of commercial departments in the revenue account.

2. The expenditure figures for the years 1986-87 to 1998-99 have been revised in the later Budgets. As the component-wise details are not available, these revisions have been effected only in the totals. Hence, the individual components of developmental and non-developmental heads will not add up to totals for these years.
