RE Revised Estimates.

BE Budget Estimates.

* Excluding the amount transferred to National Calamity Contingency Fund.

Note : 1. Data on combined receipts and expenditure are adjusted for inter-Governmental transactions.
 2. For details on compilation, see Notes on Tables.
 3. Since April 1, 1997, with the discontinuation of the *ad-hoc* treasury bill and 91-day tap treasury bills, the concept of conventional budget deficit of the Centre has lost its relevance. Hence, overall surplus/deficit since 1997-98 pertains to the State Governments only.
