V. RESERVE BANK OF INDIA PUBLICATIONS A229-A233

INTRODUCTION

The Statistical Tables relating to Banks in India for the year 1970 is the twenty-ninth in the series since the publication was taken over by the Reserve Bank from the Government of India in 1941. The publication covers banks functioning in India, whether registered in India or abroad. The presentation of data generally follows the pattern of earlier issues. The Summary Tables give the more important items of liabilities and assets of different classes of banks, while the Detailed Tables give particulars regarding individual banks. The data for 1969 and earlier years have been revised, wherever necessary, in the light of the information received subsequent to the publication of the 1969 Tables.

2. The number of banks covered in the 1970 Tables is indicated below:

	1966	1967	1968	1969	1970
I. Indian Commercial Banks					
(*i*) Scheduled Commercial Banks					
(*a*) Functioning	60	58	58	58	58
(*b*) Reporting	60	58	57	58	58
(*ii*) Non-Scheduled Commercial Banks					
(*a*) Functioning	27	20	17	14	12
(*b*) Reporting	27	20	16	14	12
Total of (*i*) and (*ii*)					
(*a*) Functioning	87	78	75	72	70
(*b*) Reporting	87	78	73	72	70
II. Foreign Commercial Banks					
(*a*) Functioning	15	15	15	15	15
(*b*) Reporting@	13	13	13	13	13
III. All Commercial Banks (Total of I and II)					
(*a*) Functioning Banks	102	93	90	87	85
(*b*) Reporting Banks	100	91	86	85	83

@Two foreign commercial banks viz., Habib Bank Ltd., and the National Bank of Pakistan Ltd. which have been under the Custodian of Enemy Property since September 7, 1965 were exempted from filing returns for the Statistical Tables from 1966. However, their offices have been included in the Appendices I, II and III and Tables 30, 32, 33, 34, 36 and 38.

Out of 73 scheduled commercial banks and 12 non-scheduled commercial banks functioning at the end of 1970, 71 scheduled commercial banks and all non-scheduled commercial banks have been covered in the 1970 Tables. The number of functioning Indian scheduled commercial banks at the end of 1970 remained the same as in 1969 since one scheduled commercial bank was amalgamated under Section 45 of the Banking Regulation Act, 1949 with another scheduled commercial bank and one non-scheduled commercial bank became a scheduled bank. The number of functioning non-scheduled banks, however, declined by 2 during 1970 as one bank became a scheduled commercial bank, while the assets and liabilities of another non-scheduled bank were transferred to a scheduled commercial bank.

3. As in the earlier issues, data on assets and liabilities of co-operative banks are not included in this publication, but names of offices of co-operative banks, including those of urban co-operative banks with capital and reserves of Rs. 1 lakh and over, are listed in Appendix I and are also covered in Tables No. 35 and 36, showing the distribution of banking offices by population and States.

4. Banks which carry on business of banking in India and which (*a*) have paid-up capital and reserves of an aggregate real or exchangeable value of not less than Rs. 5 lakhs, (*b*) are either State Co-operative Banks or companies as defined in Section 3 of the Companies Act, 1956, or corporations or companies incorporated by or under any law in force in any place outside India or institutions notified by the Central Government in this behalf, and (*c*) satisfy the Reserve Bank of India that their affairs are not being conducted in a manner detrimental to the interests of their depositors, are eligible for inclusion in the Second Schedule to the Reserve Bank of India Act, 1934, and when so included are known as 'scheduled banks'. Thus, the State Co-operative Banks and commercial banks, which fulfil these conditions, are eligible for inclusion in the second schedule to the Reserve Bank of India Act, 1934. The scheduled commercial banks are further classified in the Tables into (*a*) Indian scheduled commercial banks i.e., banks having their registered offices in India and (*b*) foreign scheduled commercial banks i.e., banks having their registered offices outside India.

5. Data in respect of the 14 major Indian banks, which were nationalised with effect from July 19, 1969, are shown from 1969 onwards in Tables No. 3, 4, 28, 30, 36 and 38 as under:

A. *Public Sector Banks*
   (a) State Bank of India
   (b) 14 Nationalised Indian banks
   (c) Subsidiaries of the State Bank of India
   (d) Total

B. *Private Sector Banks*
   (a) Other Indian scheduled commercial banks
   (b) Foreign banks
   (c) Total

C. *All scheduled commercial banks.*
D. *Non-scheduled commercial banks.*

For purposes of comparison, the data for the earlier years have also been given in Tables No. 3, 4 and 30.

6. The item 'Balance of Profit' shown in the Detailed Tables No. 46(ii), 47(i) and (ii) represents the balance of profit carried forward. While some banks show in the balance sheet the balance of profit carried forward after making various appropriations for the year, such as, transfers to reserves and provisions for other known liabilities, others show the amount carried forward prior to these allocations. In the case of the latter, the necessary appropriations are not carried out in the same year's account but done in the next year's account. However, with a view

to ensuring the uniform presentation of data, balance of profit for the year is shown *net* of appropriations as indicated in the Directors' Report of banks. Thus, the balance of profit shown in this publication would uniformly represent the balance carried forward into the next year's account after making all the appropriations for the year, and would not be the same in all cases, as in the balance sheet. In the case of the 14 nationalised banks, the balance of profit to be transferred to Government in terms of Section 10(7) of the Banking Companies (Acquisition and Transfer of Undertakings) Act, 1970, is included under 'other liabilities' as this amount does not represent the profit carried to next year's account.

7. All Tables giving information on liabilities and assets of banks viz., Tables No. 4, 5, 6, 7, 8, 9, 10, 46(ii), and 47(i) and (ii) have been compiled on the basis of data reported in the special return on Form A-1 submitted by banks and they relate to 31st December.

8. The data collected under some of the Banking Surveys, conducted by the Economic Department of the Reserve Bank of India, have been presented in Tables since its 1965 edition. These relate to 'Investments' and 'Ownership of Deposits' of scheduled commercial banks. The information on investments and deposits has been presented on a comparable basis for certain selected years—1956, 1961, 1966, 1969 and 1970. The data on purpose-wise distribution of advances are presented for the year 1970. Table No. 37, introduced since 1968, gives population-wise details of deposits and credit of scheduled commercial banks for the years 1956, 1961, 1966, 1969 and 1970. These data are based on the Monthly Survey of Deposits (Form M-1), the Security-wise Survey of Advances (Form 7) and the Survey of Credits and Debits to Deposit Accounts (Form A-9).

9. In view of the growing importance of the commercial banks' advances to the priority sectors, five tables have been introduced this year showing scheduled commercial banks' advances to agriculture, small-scale industries and exporters. The data on the first two types of advances are presented (*i*) according to groups of banks, i.e., the State Bank of India and its subsidiaries, nationalised banks and other scheduled commercial banks and (*ii*) according to States in which the bank offices are located. The data on scheduled commercial banks' advances to exporters are, however, presented according to bank-groups. These data pertain to last Friday of December 1969 and 1970.

EXPLANATORY NOTES TO THE TABLES

10. In this publication, the terms "commercial banks" and "co-operative banks" are used to indicate two distinct classes of banks.

11. Table 1—*Liabilities and Assets of the Reserve Bank of India, 1966 to 1970*: The figures are based on the Weekly Statements of Affairs of the Issue and Banking Departments pertaining to the last Friday of the calendar year.

12. Table 2—*Consolidated Position of Scheduled Commercial Banks, 1970 (Weekly)*: The data are compiled from the weekly returns submitted by the scheduled commercial banks under Section 42 (2) of the Reserve Bank of India Act, 1934 and relate to their business in the Indian Union.

13. Table 3—*Liabilities and Assets of the Different Classes of Commercial Banks, 1969 and 1970* : This table shows details of liabilities and assets of groups of commercial banks, as given in their balance sheets. The data relate to total business (including that of overseas offices) of Indian banks and the business in India of foreign banks. These are presented separately for (*i*) the State Bank of India, (*ii*) 14 Nationalised Indian banks, (*iii*) the subsidiaries of the State Bank of India,* (*iv*) other Indian scheduled commercial banks, (*v*) foreign scheduled commercial banks and (*vi*) non-scheduled commercial banks. The figures of assets and liabilities given in this Table may not tally with those given in Table 4 and other tables, as the data in the latter tables are based on the special return (Form A1). Deposits and other items are classified in the special return in accordance with the recommendations of the Committee on Banking Statistics, 1968. Unlike the classification of deposits into 'fixed', 'savings', 'current' and 'others,' adopted in the balance sheets and published in Table 3,deposits are classified in the special return (A1) under three categories, namely 'fixed', 'savings' and 'current' and presented accordingly in the subsequent tables. Current deposits in Table 3 include contingency accounts, whereas in other tables (No. 4, 5, 46 and 47) contingency accounts have been separated from current accounts and included in 'other liabilites', if they are not in the nature of deposits. Further, employees' provident fund deposits and staff security deposits are treated as 'other liabilities' in Tables No. 4, 5, 46 and 47.

14. Table 4—*Liabilities and Assets of Different Classes of Commercial Banks (Total Business), 1968 to 1970* : This table presents in a consolidated form more important items of liabilities and assets from the data for individual banks given in Tables No. 46 and 47. Figures in respect of Indian banks relate to their total business i.e., business of their offices in India as well as that of their overseas branches and those in respect of foreign banks relate to their business in India. As referred to earlier, the data reported in this table are, however, not strictly comparable with those shown in Table 3, since the information for Table 4 is compiled from the special return (A1). Thus, deposits are classified for all banks uniformly under three categories viz., fixed, savings and current. Similarly, reserves reported in this table represent 'free reserves' and do not include provisions made for specific purposes such as investment depreciation fund, sinking fund, reserve for bad and doubtful debts, provisions for dividend, taxation, pension, provident fund, gratuity, etc. and funds set aside for charity. These provisions are treated as 'other liabilities' for all banks for purposes of Table No. 4 as well as 5, 46 and 47. The figures of profit made during the year are also shown in Tables No. 4, 5, 46 and 47 on a uniform basis, after deducting the provisions made for taxation, gratuity and bonus to staff during the year.

15. Table 5—*Liabilities and Assets of Indian Commercial Banks (Indian Business) classified by size of deposits, 1968 to 1970* : The data are based on the special return (A1) submitted by banks and relate to their business in the Indian Union.

16. Tables 6 to 10—These tables give the frequency distribution of banks according to ratios of various items of assets and liabilities. The data used for these tables are based on the information furnished by banks in the special return (Form A1) referred to earlier and relate to their Indian business.

* (1) The State Bank of Bikaner and Jaipur, (2) The State Bank of Hyderabad, (3) The State Bank of Indore, (4) The State Bank of Mysore, (5) The State Bank of Patiala, (6) The State Bank of Saurashtra and (7) The State Bank of Travancore.

17. Tables 11 and 12—*Earnings and Expenses of Commercial Banks, 1966 to 1970:* These tables are compiled from a special return (Form A2) submitted by banks. The data cover (*i*) Indian scheduled commercial banks, (*ii*) non-scheduled commercial banks and (*iii*) foreign scheduled commercial banks. The information for Indian commercial banks relates to total business while for foreign banks it relates to their business in the Indian Union. The earnings from investments are inclusive of taxes paid at source which have been covered in item XIV(*a*)—Provision for taxes on profits. The balance of profit (item XII) shown in the Table represents profit prior to providing for taxation, gratuity and bonus to staff uniformly in respect of all banks and will, therefore, be higher than the figures of profit made during the year, as shown in Table 4. Information relating to fees and allowances paid to directors and local committee members as well as to profits remitted by foreign banks to their head offices abroad is given separately. The balance of profit to be transferred by nationalised banks to Government under Section 10(7) of Banking Companies (Acquisition and Transfer of Undertakings) Act 1970, is shown under item XIV(*c*)—Dividend, bonuses, etc. to shareholders.

18. Table 13—*Income and Expenditure of 14 Nationalised Indian Banks, 1969 and 1970 :* This Table is compiled from the published Profit and Loss Accounts of the 14 Nationalised Indian banks.

19. Tables 14 and 15.—*Investments and Ownership of Deposits of Scheduled Commercial Banks, 1956 to 1970 :* The data are based on special returns submitted by banks for the surveys conducted by the Banking Division of the Economic Department of the Bank. The data are given for five years 1956, 1961, 1966, 1969 and 1970 in respect of scheduled commercial banks.

20. Table 16—*Purpose-wise Distribution of Advances by Scheduled Commercial Banks as on December 24, 1970 :* This Table is compiled from the data furnished in Uniform Balance Book returns submitted by 9300 bank offices out of 11,004 as on this date.

21. Table 17—*Deposits of Scheduled Commercial Banks at various rates of Interest. 1966-1970 :* Till December 1966, the data were based on the half-yearly returns submitted by all commercial banks to the Deposit Insurance Corporation and covered only deposits which are assessable for the purpose of deposit insurance premia. For the years 1967 to 1969 the data are compiled on the basis of the Survey of Interest Rates on Deposits and Advances (Form H2) conducted by the Banking Division of the Economic Department as on the last Friday of April and October every year. The data for 1966 relate to June and December and to April and October for the years 1967 to 1969. The data for the year 1970 are based on the information made available by banks in Form A4 (Survey of Ownership of Deposits) and relate to March 31, 1970. Earlier, the data covered total deposits including inter-bank deposits ; inter-bank deposits have been excluded since April 1968. For purposes of this Table, banks are classified into (*i*) Indian commercial banks which were members of the erstwhile Inter-Bank Agreement on Maximum Rates of Interest on Deposits and the State Bank of India, subdivided into five groups according to the size of their deposits, (*ii*) Foreign commercial banks and (*iii*) commercial banks which were not signatories to the Inter-Bank Agreement on Deposit Rates.

22. Table 18—*Advances of Scheduled Commercial Banks at Various Rates of Interest, October 1968, April 1969 and October 1969 :* The data relate to all scheduled commercial banks and are as on the last Friday of April and October. In this table, total loans and advances are those as reported for the Survey of Interest Rates on Deposits and Advances, referred to in the previous paragraph, and exclude 'money at call and short notice' and 'bills purchased and discounted'.

23. Tables 19 to 23—*Scheduled Commercial Banks' Advances to Exporters, Agriculture and Small Scale Industries :* The data for Tables 19 to 21 are compiled by the Department of Banking Operations and Development and those for Tables 22 and 23 by the Industrial Finance Department on the basis of monthly statements on advances to priority sectors received from scheduled commercial banks and they relate to the last Friday of December 1969 and 1970.

24. Table 25—*Money Rates, 1970:* The data are compiled by the Department of Statistics on the basis of weekly returns received by them from the local head offices of selected scheduled commercial banks, giving the rates at which different types of deposits are accepted by them during the reporting week and corrseponding amounts of deposits. The rates given in the table are weighted average rates for the month exclusive of brokerage, the weight being proportional to the deposits accepted at each rate during the period.

25. Tables 28 and 29—*Distribution of Offices of Commercial Banks according to to Rural, Semi-urban and Urban centres—Bank group-wise and State-wise :* The data are compiled by the Department of Banking Operations and Development on the basis of monthly statements on offices opened/closed received from commercial banks and relate to December 31, 1970.

26. Table 30—*Offices of Scheduled and Non-Scheduled Commercial Banks in India, 1966-1970* : The number of offices, as on December 31, are given separately for different classes of commercial banks viz., the State Bank of India, 14 nationalised Indian banks, subsidiaries of the State Bank of India, other Indian scheduled commercial banks, foreign banks and non-scheduled commercial banks. The table excludes offices which are not transacting banking business.

27. Table 32—*Distribution by State of Offices, Deposits and Bank Credit in India of all Commercial Banks, 1969 and 1970 and* Table 33—*Distribution by State of Offices, Deposits and Bank Credit in India of Scheduled Commercial Banks, 1969 and 1970* : These data are based on special return on Form A1 submitted by both scheduled and non-scheduled commercial banks. The data relate to the last day of the calendar year (31st December) and exclude administrative, seasonal and temporary offices of commercial banks as in Tables 30, 34 36 and 38. The per capita figures for the year 1969, of deposits, bank credit, and population per office are based on the mid-year estimates of population worked out by the Office of the Registrar-General of India while for the year 1970, they are based on the 1971 census data (provisional) published by the Government of India.

28. Tables 34 and 35—*Distribution by population of Offices of Commercial and Co-operative Banks in Different States, 1970 and* Table 36—*Distribution by Population of Offices of the Different Classes of Banks as at the end of 1970 :* Table 34 shows the number of offices of commercial banks classified by the size of the population in the different States of the Indian Union, while Table 35 gives similar data in respect of offices of co-operative banks. Table 36 gives the number of offices of commercial and co-operative banks and the number of places classified by the size of population. The information about offices of commercial banks is based on their returns on Form A1 and for co-operative banks it is received from the Registrars of Co-operative Societies of the different States. Data in respect of commercial banks are as on December 31, 1970 while those relating to co-operative banks are as on June 30, 1970. The population figures in respect of towns are based on provisional population figures published by the Registrar General and Census Commissioner in Part I of Census of India, 1971 (Supplement), while in respect of other centres these are based on the 'Census of India, 1961—Final Population Figures' and the data supplied by the Superintendents of Census Operations for the respective States. Figures of average population per office in each population group are arrived at by dividing the total population of the places where these offices are located by the total number of bank offices (commercial and co-operative) in each group. The average population per banking office for the Indian Union as a whole is worked out on the basis of the country's provisional figures of population based on 1971 census. Offices situated in places for which population figures are not available are included under 'unclassified'.

29. Table 37—*Distribution by Population of Scheduled Commercial Banks' Deposits and Credit 1956-1970 :* This table gives details of deposits and credit for the years 1956, 1961, 1966, 1969 and 1970 classified into different population groups. Data given in this table relate to scheduled commercial banks and are derived from (*i*) Monthly Survey of Deposits (Form M1), (*ii*) Security-wise Survey of Advances (Form 7) and (*iii*) Survey of Credits and Debits to Deposit Accounts with scheduled commercial banks (Form A9)

30. Table 38—*Distribution by Population Groups of Offices Opened or Closed by Commercial Banks, 1970 :* This table gives the number of commercial bank offices opened and closed and the net change in the number of offices during the year as well as the number of offices in existence as on December 31, 1970. This is presented for the same population groups as in Table 36 and categories of banks as in Table 30.

31. Table 39—*Liabilities and Assets in Foreign Countries (excluding Pakistan) of Indian Scheduled Commercial Banks, 1969 and 1970 :* The data are compiled from the monthly returns submitted by the banks relating to their foreign business. As the offices of Indian banks in Pakistan were taken over by the Custodian of Enemy Property, Pakistan in 1965, no returns have been received in respect of them. The table, therefore, does not give figures relating to the business of Indian banks in Pakistan.

32. Tables 42 and 43—*Commercial Banks which have been Amalgamated, have transferred their Liabilities and Assets to Other Banks, have gone into Liquidation or have been classified as Non-Banking Companies or struck off the Register, 1966-1970 :* Table 42

shows the number (with their capital and deposits) of banks which have been amalgamated with others either on a voluntary or compulsory basis, under the Banking Regulation Act, 1949 ; banks which have transferred their liabilities and assets to other banks under the Companies Act, 1956 and banks whose business was acquired by the State Bank of India and its subsidiaries under the State Bank of India (Subsidiary Banks) Act, 1959. Table 43 covers banks which have gone into voluntary or compulsory liquidation, banks which have been classified as non-banking companies under Section 36A(2) of the Banking Regulation Act, 1949 and banks which were struck off the register under the Companies Act, 1956. The data on paid-up capital and deposits are as on or about the date of amalgamation, transfer of liabilities and assets, liquidation or classification as non-banking companies. The banks which have already been included in Table 42 are excluded from Table 43, in order to avoid double counting of banks which first transferred their liabilities and assets to other banks and subsequently went into liquidation or converted themselves into non-banking companies.

33. Table 44—*Unclaimed Deposits held by Commercial Banks, 1966-1970:* The data relate to deposit accounts in India which have not been operated upon for 10 years or more as on December 31 of respective year, and are based on returns submitted by banks on Form XI under Section 26 of the Banking Regulation Act, 1949.

34. Tables 46 and 47—*Liabilities and Assets of Foreign and Indian Commercial Banks, 1969 and 1970:* Table 46(i) relates to total business of foreign banks based on their global balance sheets. Table 46(ii) and 47 are compiled from the special return on Form A1 submitted by banks. Data given in Table 47 relate to total business of Indian banks (inclusive of business of foreign branches of these banks). As stated earlier, deposits are classified into three categories viz., 'fixed', 'savings' and 'current'. Investments are also shown under three categories, viz. 'Government Securities', 'Other approved securities' and 'Other investments'. The 'Balance of profit or loss' shown in the table indicates the balance carried forward to the next year's account *net* of various appropriations such as transfers to reserves, provisions for dividend and other purposes. In the case of the 14 nationalised banks, as stated earlier, the balance of profit to be transferred to Government in terms of Section 10(7) of the Banking Companies (Acquisition and Transfer of Undertakings) Act 1970 is included under 'other liabilities' as this amount does not represent the profit carried to next year's account. Profit or loss made during the year reported here represents the net amount after providing for tax, gratuity and bonus to staff. The date of registration or incorporation is shown below the name of each bank. In Table 47, the name of the town in which the registered office of the bank is located is shown after the name of the bank in column 2. The number of offices of banks outside India is shown in brackets alongside the number of offices in India under column 26.

EXPLANATORY NOTES ON THE APPENDICES

35. Appendix I—*Banks and their Branches, Sub-Offices and Pay-Offices in the Indian Union :* This Appendix gives the names of banks operating at various places in India. Banks other than scheduled commercial banks and State co-operative banks are shown in italics. Co-operative banks which did not furnish the required

data both for 1969 and 1970 are excluded. The name of the district and State in which the place is situated is shown against each place, the former being indicated in italics. Population figures are also given against each place. Provisional population figures based on 1971 census are given in respect of all towns where banks operate. In the case of other places, these relate to 1961 census and/or the data supplied by the Superintendents of the Census Operations of the respective States and are shown in italics. Offices of co-operative banks reported by the Registrars of Co-operative Societies as functioning on June 30, 1970 are listed, while the information on offices of commercial banks has been up-dated till March 31, 1971.

36. Appendix II—*Offices, Deposits and Bank Credit of Commercial Banks— District-wise and Centre-wise* : This gives data on offices, deposits and advances and bills purchased and discounted by commercial banks compiled from the special return on Form A1 submitted by banks. Data for centres having offices of one commercial bank are included under 'others'.

37. Appendix III—*Commercial Banks and their Offices in States and Union Territories :* This gives State-wise information on the banks functioning and the number of offices of each bank in the State.

38. It is a pleasure to record here the Reserve Bank's appreciation of the co-operation and assistance that have readily been offered by banks, Registrars of Companies and Co-operative Societies, the Registrar-General and Superintendents of Census Operations and the Director-General, Posts and Telegraphs in connection with compilation of data for this publication.

In respect of co-operative banks, offices of (*i*) State Co-operative Banks, (*ii*) Central Co-operative Banks and (*iii*) Urban Co-operative Banks, Banking Unions and Industrial Co-operative Banks with capital and reserves of over Rs. 1 lakh, as reported by the Registrars of Co-operative Societies are included. The names of the districts and States are based on the information furnished by the banks and available in the "Census of India, 1961."

2. Names of places and of States, the latter within brackets, are printed in bold type. The name of the district is shown before the name of the State in italics. Banks other than Scheduled Banks and State Co-operative Banks are shown in italics. R.O.=Registered Office; H.O.=Head Office; C.O.=Central Office; D.O.=Development Office; A.O.=Administrative Office; L.H.O.=Local Head Office; B.=Branch; S.B.=Sub-Branch; S.O.=Sub-Office; P.O.=Pay Office; S.P.O.=Sub-Pay Office; T.S.O.=Treasury Sub-Office; CH. O.=Cash Office; Cantt.=Cantonment; Muncl.=Municipal. Where the Central Office, Head Office and Registered Office are at one place, they are shown as Registered Office only. Registered, Central, Administrative, Head or Branch Offices not transacting banking business are indicated as ‡. Number given against a bank indicates the number of its offices. The figures shown in brackets indicate the population of places; those in italics are based on 'Census of India, 1961—Final Population Figures' published by the Census Commissioner, India, and the data supplied by the Superintendents of Census Operations in various States. Figures in bold type are provisional population figures based on 1971 Census. Wherever population figures of Cantonment areas are available, they are indicated separately.
