The query raised by the one of the representatives of the participating firms, vis-à-vis our clarification in regard thereto is as under:

Sr. No.	Query raised by the Participants	Clarification/Response issued by RBI, Mumbai
1.	What should be the size of the container (Load carrying capacity) for outstation remittance. Will it be 10 tons or more?	The size of the containers (Load carrying capacity) for outstation remittance would depend upon the size of remittance which is usually higher than the local remittance and maximum up to 50 tons. The bidders may refer to the Price Bid Form in the Tender wherein weightage for outstation and local transportation have been indicated and submit their quotes accordingly.
