E-Tenders for the work of “**Renovation of Class III flats (17 Nos), Bank's Staff Quarters, Musheerabad**” should be addressed to Smt K Nikhila, Regional Director, Reserve Bank of India, Estate Department, 6-1-56, Secretariat Road, Hyderabad - 500004 and submitted not later than **14:00 hrs. on May 19, 2022**
2. No tender will be received after 14:00 hrs. on **May 19, 2022** under any circumstances whatsoever.
3. E-Tenders shall be opened at 15:00 hrs. on **May 19, 2022** at the office of Regional Director, Reserve Bank of India, Secretariat Road, Hyderabad in the presence of tenderers or their authorized representatives (**with authority letter**) who choose to be present. Tenders shall remain valid for acceptance by the Bank for a period of three months from the date of opening of the **tender** which period may be extended by mutual agreement and the tenderer shall not cancel or withdraw the tender during this period.
4. **The tenderer must use only the documents and forms uploaded by the Bank.** Any addition /alteration in the text of the tender form made by the tenderer shall not be valid and shall be treated as null and void.
5. The tender form must be filled in English or Hindi and all entries must be made. If any of the documents is missing or unauthorized / unsigned, the Bank in its discretion may consider the tender invalid.
6. Rates should be quoted in figures and words in columns specified. Altering of tender forms is not permitted; failure to comply with either of these conditions will render the tender void at the Bank's option. No advice of any change in rate or of conditions after the opening of the tender will be entertained.
7. Each of the tender documents should be signed and uploaded by the person or persons submitting the tender and is taken at his/their having acquainted himself/themselves with the General Conditions of Contract, Specifications, Special Conditions, etc. as laid down.
8. The e-tender submitted on behalf of a firm shall be signed by all the partners of the **firm or by a partner who has the necessary authority (copy of power of attorney / authorization letter shall be uploaded) on behalf of the firm to enter into the proposed contract. Copy of power of attorney / authorization letter shall be uploaded.** Otherwise, the Bank may reject the tender.
9. For due fulfilment of the contract by the contractor, 5% of the value of the work done will be deducted by the Employer from each payment to be made to the contractor toward Retention Money. Retention money deposit will be released by the Bank after carrying out rectification of the defects pointed out during the Defect Liability Period. The amount retained by the Bank shall not bear any interest.

10. The Reserve Bank of India does not bind itself to accept the lowest or any tender and reserves to itself to accept or reject any or all the tenders, either in whole or in part, without assigning any reason for doing so.
12. The Reserve Bank of India reserves the right to sub-divide the work mentioned in the tender, amongst two or more contractors at its own discretion and the Contractor will have to execute orders for part of the items placed with them at the quoted rates. The Reserve Bank of India also reserves the right to increase or decrease the quantities and even omit any item of work after the order is placed and the Contractor shall execute the same. In this context, the rates quoted for each item must be self supporting and relevant.
13. Contract Agreement: On receipt of intimation from the Bank of the acceptance of his/their tender, the successful tenderer shall be bound to implement the contract and within ten days thereof. The successful tenderer shall sign an agreement in accordance with the draft agreement and the Schedule of Conditions but the written acceptance by the Reserve Bank of India of a tender will constitute a binding contract between the Reserve Bank of India and the person so tendering whether such formal agreement is or is not subsequently executed.
14. The Contractor shall not assign the Contract: He shall not sublet any portion of the Contract except with the written consent of the Bank. In case of breach of these conditions, the bank may serve a notice in writing on the contractor rescinding the Contract whereupon the security deposit shall stand forfeited to the Bank, without prejudice to his other remedies against the contractor.
15. The Contractor shall carry out all the work strictly in accordance with Drawings, details and instructions and Bank's Engineer. If in the opinion of the Bank's Engineer changes have to be made in the design and with the prior approval in writing of the Employer they desire the Contractor to carry out the same, the contractor shall carry out the same without any extra charge. The Bank's decision in such cases shall be final and shall not be open to arbitration.
16. A Schedule of probable quantities in respect of each work and specifications accompany these special conditions. The Schedule of probable quantities is liable to alteration by omissions, deductions or addition at the discretion of the Bank. Each tender should contain not only the rates but also the value of each item of work entered in a separate column and all the items should be summed up in order to show the aggregate value of the entire tender.
17. The tenderer must obtain for himself, on his own responsibility and at his own expenses, all the information which may be necessary for the purpose for making a tender and for entering into a contract and must examine the Drawings and must inspect the site of the work and acquaint himself with all local conditions, means of access to work, nature of work and all matters appertaining thereto.
18. (a) The rates quoted in the tender shall include all charges for supply, installation (assembly), testing, packing, handling and transport for all supplies. The rates shall include storage, watch and ward, temporary structures, lighting at night, tools and tackles, labour and other services for erection and commissioning works.

(b) The rates shall also be firm and shall not be subject to exchange variations, labour Condition, fluctuations in railway freights or any conditions whatsoever. Tenderers must include in their rates IGST, CGST, SGST, GST, sales tax, VAT (value added tax), excise duty, customs duty, octroi work contract tax, Service tax and any other tax and duty or other levy levied by the Central Government or any State Government or local authority, if applicable. No claim in respect of IGST, CGST, SGST, GST, sales tax, sales tax on works contract, Service tax, excise duty, customs duty, VAT, Octroi or other tax or duty or levy whether existing or future shall be entertained by the Employer. Bill of the Contractor, Supplier, Vendor shall be as per the GST requirements and compliances.

20. Prices of extras etc and ascertainment:

a) The contractor may, when authorized and shall, when directed in writing by the Employer add to, omit from or vary the works shown upon the drawings, or described in the Specifications, or included in the Schedule of Quantities, but the Contractor shall make no addition, omission or variation without such authorization or direction. A verbal authority or direction by the Employer shall if, confirmed in writing within seven days, be deemed to have been given in writing. No claim for an extra shall be allowed unless it is executed with the written approval of the Employer. Any such extra is herein referred to as 'Authorized extra' and payment shall be made in accordance with the flowing provisions;

i) The net rates or prices in the original tender shall determine the valuation of the extra work where such extra work is of similar character and executed under similar conditions as the work priced therein. Rates for all items wherever possible shall be derived out of the rates given in the Priced Schedule of Quantities.

ii) The net prices of the original tender shall determine the value of the items omitted, provided if omissions vary the conditions under which any remaining items of works are carried out, the prices for the same shall be valued under sub-clause (iii) hereof. iii) Where the extra works are not of similar character and/ or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omissions or additions relative to the amount of the whole of the Contract works or to any part thereof shall be such that in the opinion of the Bank's Engineer, the net rate or price contained in the Priced Schedule of Quantities or tender or for any item of the works involves loss or expense beyond that reasonably contemplated by the Contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Bank's Engineer shall fix such other rate or price as in the circumstances he shall think reasonable and proper.

iv) Where extra work cannot be properly measured or measured or valued the Contractor shall be allowed day work prices as the net rates stated in the tender or the Priced Schedule of Quantities if not so stated, then in accordance with the local day work rates and wages for the district provided that in either case vouchers specifying the daily time (and if required by the Employer, the workmen's names) and materials employed be delivered for verification to the Employer or his representative at or before the end of the week following that in which the work has been executed. It is further clarified that for all such authorized extra items where rates cannot be derived from tender, the contractor shall submit rates supported by rate analysis worked on the 'actual cost basis', plus 15% towards establishment charges, contractor's overheads and profit. Such items will not be eligible for escalation.

b) The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his attention is drawn to the fact that rates for each and every item should be correct, workable and self supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. However, during the actual execution of work if the quantities of any of the items of work exceeds by more than 25% of the tender quantities, the quantities of such items executed, by the authority of Bank's Engineer, in excess of 25% of the tender quantity shall be considered as an extra item of work for which the contractors shall submit fresh rates supported by rate analysis worked on the actual cost basis plus 15% towards establishment charges, contractor's over heads and profit. The rates for all such items of work, being current ones, will not be eligible for price adjustments due to increase or decrease in prices of materials and labour rates as per escalation formula, if any given in the tender. If any of the items of work is omitted from the accepted tender at the sole discretion of the Bank, the contractor shall not be entitled to any claim on this account.

21. Liquidated damages for delayed completion: "If the Contractor fails to maintain the required progress of the works by the completion time stipulated in the Contract or within any extended time under time extension Clause and the employer certifies in writing that in his opinion the same ought reasonably to have been completed, the Contractor shall pay the Employer the sum named as "Liquidated Damages" for the period during which the said works shall so remain incomplete and the Employer may deduct such damages from any moneys due to the Contractor.

22. The Contractor shall not be entitled to any compensation for any loss suffered by him on account of delays in commencing or executing the work, whatever the cause of delays may be, including delays arising out of modifications to the work entrusted to him or in any sub-contract connected therewith or delays in awarding contracts for other trader of the project or in commencement or completion of such works or in procuring Government controlled or other building materials or in obtaining water and power connections for construction purpose or for any other reason whatsoever and the employer shall not be liable for any claim in respect therefore. The Employer does not accept liability for any sum besides the tender amount, subject to such variations as are provided for herein.

23. The successful tenderer is bound to carry out any items of work necessary for the completion of the job even though these items are not included in the quantities and rates. The Employer will issue schedule of instructions in respect of such additional items and their quantities in writing.

24. The successful tenderer must co-operate with the other contractors appointed by the Employer so that the work shall proceed smoothly with the least possible delay and to the satisfaction of the Employer.

25. Defects Liability Period: Any defect or fault which may appear during **12 months** from the date of virtual completion of work/or supply and installation in full as specified under the contract, arising in the opinion of the Bank's Engineer from materials or workmanship not in accordance with the contract, shall upon the directions in writing of the Bank's Engineer, and within such reasonable time as shall be specified therein, be

amended and made good by the Contractor at his own cost and in case of default the Bank may employ and pay other persons to amend and make good such defects/faults and damages, loss and expenses consequent there upon or incidental thereto shall be made good and borne by the contractor and such damages, loss and expenses shall be recoverable from him by the Bank, or may be deducted by the Bank upon the Bank's Engineers' certificate in writing from any money due or that may become due to the contractor. The contractor/supplier shall remain liable under the provisions of this clause notwithstanding the signing by the Bank's Engineer any certificate or passing of any accounts.

26. Stipulated time for completion of work: Time is the essence of the contract. The entire work is to be completed within a period of **90 days**. The Contractor is advised to visit the site and get himself fully acquainted with the general and local site conditions, particularly, those having bearing upon transportation, handling, storage etc. prior to quoting the tender.

27. Materials to conform to specifications:

i) All materials and workmanship shall, so far as procurable, conform strictly to requirements in accordance with the schedule of quantities and instructions of Bank's Engineers and the contractor shall, upon the request of the Bank's Engineer, furnish proof to his satisfaction that they so conform and if required shall also furnish all invoices, accounts, receipts and other vouchers for this purpose.

ii) The contractor shall place orders for all materials required in time and in any case not later than the dates fixed in the approved programme. Wherein the matter of procurement of such materials as are collected or the distribution of which are regulated by Government, Central or Local, or by any other Central/State Authority, the employer is obliged to issue any certificate or sign applications for license or permit, by virtue of orders of such Government or authority or by custom or practice, it shall be the sole responsibility of the contractor to arrange for all the formalities to be completed in time and follow up the matter with the concerned authorities and the installations according to the approved programme, and the employer will not assume any responsibility for delays in this regard nor for the payment of fines, penalties, demurrage and so forth due to the contractor not taking timely action in the process of procurement. The contractor shall not raise any plea, quoting delays in the completion of the formalities or of delays by the authorities concerned for any compensation whatsoever.

iii) However, the contractor shall, before he place orders for supply, furnish to the Bank's Engineer at his own expense, samples of materials including patented products and those under specific makes, proposed to be used in the works, well in time, notwithstanding prior approval by Bank's Engineer/Employer of such products and makes; such prior approval shall not constitute a waiver of the rule regarding approval of samples. In all cases when makers/manufacturers have test certificates for their goods/articles/ products/ processes/equipment, Photostat copies of such test certificates shall be produced by the contractor along the samples.

iv) The Bank's Engineer will, within one week of the date of supply of samples or within such further period, as it may be depending upon each case, require to intimate to contractor whether the samples are approved by him or not. If samples are not approved, the contractor shall forthwith arrange to supply to the Bank's Engineer for his approval, fresh samples complying with the specifications.

v). The approved samples, bearing distinct marks of identification of such approval, shall be displayed by the contractor, at his own expense, prominently at the site, during the

entire construction period, and for one month after the date of virtual completion of the work, for inspection/verification by the Bank's Engineer/Employer, without any charge accruing to him (contractor) the approved samples remaining in the safe custody of the contractor till they are so handed over to the employer.

vi) The contractor shall indemnify the employer or any agent servant or employee of the employer against any action, claim or proceeding relating to infringement or use of any patent or design or any alleged patent or design rights and shall pay any royalties or other charges which may be payable in respect of any article or material or part thereof included in the contract. In the event of any claims being made or action being brought against the employer in respect of any such matter as aforesaid, the contractor shall immediately be notified thereof. Provided that such indemnity shall not apply

when such infringement has taken place in complying with specified direction issued by the employer or the Bank's Engineer in connection with the contract, but the contractor shall pay any royalties or other charges payable in respect of any such use, the amount so paid being reimbursed to the contractor only if the use was the result of any specifications issued after conclusion of the contract.

vii) The Bank's Engineer shall be entitled to have tests carried out on the work or its parts or material accessories, either during its progress or on completion, where and when deemed necessary or on any materials to be incorporated in the work/installation supplied by the contractor or otherwise, notwithstanding that the work or its parts or accessories or the said materials have been accepted and passed/passed for incorporation. If any material, accessories, work done etc. do not fulfil the technical requirements / quality, the same will be rejected by the Bank without paying any compensation for the work done / material used in the work by the contractor. In case of failure / negative test results, neither the testing charges nor the restoration / re-doing cost of the work will be reimbursed.

28. The successful tenderer shall carry out of each item of work given in the Schedule of Quantities and get the same approved from Bank's Engineer before going for full execution of the work given in the order. Any minor modifications/changes suggested by the Bank's Engineer should be affected without any extra cost.

29. Payment shall be made based on the progress of work and on completed items of work on actual site measurement. The minimum value of a running account bill shall be as per appendix.

The adjustment in price of the materials shall be made only on the measured quantity with 15% towards Over heads and profit. The basic prices are ex-godown inclusive of excise duty, sales tax, octroi, service tax and all other duties levied by the Government or any public body. The contractor shall consider factors such as transport, handling, loading and unloading etc while quoting the rates for such items.

31. The successful tenderer may please note that, the Bank will deduct the amount on account of Work Contract tax, VAT, Service Tax, income tax including surcharge and / or any other taxes as applicable from the bills.

32. Bank reserves the right to reject and / or refuse any material of doubtful quality and workmanship.

33. Defective Materials: Any defects or faults in the materials supplied and in the work done by the contractor which may appear during execution of the work or within twelve months shall, upon the discretion of the Bank's Engineer be replaced or set right by the Contractor at his own cost within 7 (seven) days of receiving such directions. The Bank reserves the right to get the work executed/ work examined by other Government or Private Agency and the directions of such agency shall also be binding on the Contractor.

34. Approval of Samples: Contractor shall have to produce samples of the material for Bank's approval for which no separate payment will be made. Approval of the sample by the Bank will not relieve the contractor from of his responsibility / obligation about the specifications and other stipulations in the contract.

35. The work shall be carried out in such a manner that there shall be minimum disruption to the office/ occupants. A programme shall be drawn in consultation with the Banks Engineer for this purpose.

36. The Contractor should note that unless otherwise stated the tender is strictly on item rate basis and his attention is drawn to the fact that rates for each and every item should be correct, workable and self-supporting. The quantities in the Schedule of Quantities approximately indicate the total extent of work but may vary to any extent and may even be omitted thus altering the aggregate value of the contract. No claim shall be entertained on this account. The contractor shall bring to the notice of the Employer in case of any extra items not mentioned in the schedule of quantities during the course of the work and shall only carry out the same on written approval from the Bank's Engineer.

37. Time allowed for carrying out the work as mentioned in the Memorandum shall be strictly observed by the Contractor and it shall be reckoned from the 10th day after written order to commence the work is issued. The work shall throughout the stipulated period of the contract, be proceeded with all due diligence. If the contractor fails to complete the work within the specified period, he shall be liable to pay compensation as defined in clause 21 of the General terms and conditions. The tenderer shall before commencing work, prepare a detailed work programme which shall be approved by the Employer.

38. The Contractor must bear in mind that all the work shall be carried out strictly in accordance with the specifications and also in compliance of the requirement of the legal public authorities and no deviation on any account will be permitted.

39. The successful tenderer should make with own arrangements to obtain all materials required for the work.

40. The Contractor shall strictly comply with the provision of safety and fire safety code annexed hereto.

41. The security deposit of the successful tenderer will be forfeited if he fails to comply with any of the conditions of the contract.

42. The flats where work is to be carried out are at any floor of Bank's Quarters at Musheerabad.

I/We hereby declare that I/we have read and understood the above instructions, terms and conditions for the guidance of tenderers.

details, direction and explanations which are hereafter collectively referred to as "Bank's Engineer's instruction in regard to":

- a) The variations or modifications of the design, quality or works or the addition or omission or substitutions of any work.
- b) Any discrepancy in the Drawing or between the Schedule of Quantities and/or Drawing and/or specifications.
- c) The removal from the site of any materials brought thereon by the contractor and the substitution of any other material therefor.
- d) The removal and/or re-execution of any works executed by the contractor.
- e) The dismissal from the works of any persons employed thereupon.
- f) The opening up for inspections of any work covered up.
- g) The amending and making good of any defects.

The contractor shall forthwith comply with and duly execute any work comprised in such Bank's Engineer's instructions provided always that verbal instructions, directions and explanations given to the Contractor or his representative upon the works by the Bank's Engineer shall, if involving a variation, be confirmed in writing by the Contractor within seven days, such shall be deemed to be Employer's instructions within the scope of the Contract.

The contractor shall submit a statement of variations giving quantity and rates duly supported by analysis of rates, vouchers etc. The rates on scrutiny and final acceptance by the Employer shall form a supplementary tender. The Employer shall not be liable for payment of such variations until these statements are sanctioned by him.

3. The Contract shall be executed in triplicate and the Bank's Engineer, the Employer and the Contractor shall be entitled to one executed copy each for his use. The contractor on the signing hereof shall be furnished free of cost one copy of each of the said Drawings and of specifications and one copy of all further Drawings issued during the progress of the works. Any further copies of such Drawings required by the Contractor shall be paid for by him. The contractor shall keep one copy of all Drawings on the works and Bank's Engineer or his representative shall at all reasonable times have access to the same. Before the issue of the final certificate to the Contractor he shall forthwith return to the Bank's Engineer all Drawings and Specifications.
4. The Contractor shall provide at his cost everything necessary for the proper execution of the works according to the intent and meaning of the Drawings, Schedule of Quantities and specifications taken together, whether the same may or may not be particularly shown or described therein provided that the same can reasonably be inferred therefrom, and if the Contractor finds any discrepancy in the Drawings or between the Drawings, Schedule of quantities and Specifications, he shall immediately and in writing refer the same to the Bank's Engineer, who shall decide which is to be followed.
5. **Authorities, notices and patents:** The Contractor shall conform to the provisions of any Act of the Legislature relating to the works, and to the regulations and bye-laws of any authority, and of any water, electricity supply and other companies and/or authorities with whose system the structure is proposed to be connected, and shall,

before making any variations from the Drawings or Specifications that may be necessitated by so conforming, give to the architect written notice, specifying the variation proposed to be made and the reason for making it and apply for instructions thereon. In case the Contractor shall not within ten days receive such instructions he shall proceed with the work conforming to the provisions, regulations, or bye-laws in question, and any variation so necessitated shall be dealt with.

The contractor shall bring to the attention of the Employer all notices required by the said Acts, regulations or bye-laws to be given to any authority and pay to such authority or to any public office all fees that may be properly chargeable in respect of the works and lodge the receipts with the Employer.

The Contractor shall indemnify the Employer against all claims in respect of patent rights and shall defend all actions arising from such claims and shall himself pay all royalties, license fees, damages cost and charges of all and every sort that may be legally incurred in respect thereof.

6. **Setting out of work:** The contractor shall set out the works and shall be responsible for the true and perfect setting out of the same and for the correctness of the positions levels, dimensions and alignment of all parts thereof. If at any time any error in this respect shall appear during the progress of the works or within a period of one year from the completion of the works, the Contractor shall, if so required, at his own expense rectify such error to the satisfaction of the Bank's Engineer.
7. **Materials and Workmanship to conform to description:** All materials and workmanship shall so far as procurable be of the respective kinds described in the Schedule of Quantities and/or specifications and in accordance with the contract and the Contractor shall furnish to the Employer with all invoices, accounts, receipts and other vouchers to prove that the materials comply therewith. **The Contractor shall at his own cost arrange for and/or carry out any test of any materials.**
8. **Contractor's superintendence and representative on the works:** The Contractor shall give all necessary personal superintendence during the execution of the works and so long thereafter as the Employer may consider necessary until the expiration of the "Defects Liability Period" stated in the Appendix hereto. The contractor shall, also during the whole time the works are in progress employ a competent representative who shall be constantly in attendance at the works while the men are to work. Any directions, explanations, instructions or notice given by the Bank's Engineer to such representative shall be held to be given to the Contractor.
9. **Dismissal of workmen:** The Contractor shall on the request of the Bank's Engineer immediately dismiss from the works any person employed thereon by him who may, in the opinion of the Bank's Engineer, be incompetent or misconduct himself and such persons shall not be again employed on the works without the permission of the Bank's Engineer.
10. **Access to works:** The Employer, shall at all reasonable times, have free access to the works and/or to the workshops, factories or other places where materials are lying or from which they are being obtained and the Contractor shall give every facility to the Employer necessary for Inspections and examination and test of the materials and

workmanship. No person not authorized by the Employer except the representatives of public authorities shall be allowed on the works at any time.

11. **Assistant Manager (Tech) / Manager (Tech) / Assistant General Manager (Tech):**

The term "Assistant Manager (Tech)/ Manager (Tech)/ Assistant General Manager (Tech)" shall mean the person appointed and paid by the Employer to inspect the works. The Contractor shall afford the Assistant Manager (Tech.)/ Manager (Tech)/ Assistant General Manager (Tech) every facility and assistance for inspecting the works and materials and for checking and measuring time and materials.

The Assistant Manager (Tech.) / Manager (Tech) / Assistant General Manager(Tech), or the Employer shall have power to give notice to the Contractor or to his representative of non-approval or any work or materials and such work shall be suspended, or the use of such materials shall be discontinued. The work will from time to time be examined by the Assistant Manager (Tech.) / Manager (Tech)/ Assistant General Manager (Tech) but such examination shall not in any way exonerate the Contractor from the obligation to remedy any defects, which may be found to exist at any stage of the works or after the same is completed. Subject to the limitations of this clause the Contractor shall take instructions only from the Bank's Engineer.

12. No alteration, omission or variation shall vitiate this contract but in case the Bank's Engineer thinks proper at any time during the progress of the works to make any alterations in, or addition to, or omissions from the works or any alteration in the kind of quality of the materials to be used therein and shall give notice thereof in writing under his hand to the Contractor, the Contractor shall alter, add to, or omit from, as the case may be, in accordance with such notice, but the contractor shall not do any work extra to or make any alterations or additions to or omissions from the works or any deviation from any of the provisions of the Contract. Stipulations, specifications or Contract Drawings without the previous consent in writing of the Employer and the value of such extras alterations, additions or omission shall, in all cases, be determined by the Employer and the same shall be added to, or deducted from the Contract Amount, as the case may be accordingly.

13. **Schedule of Quantities:** The Schedule of quantities, unless otherwise stated shall be deemed to have been prepared in accordance with the Standard Method of Measurement.

Any error in description or in quantity or in omission of items from the schedule of quantities shall not vitiate this contract but shall be rectified and the value thereof, as ascertained, shall be added to, or deducted from the Contract Amount (as the case may be) provided that no rectification of errors, if any, shall be allowed in the Contractor's schedule of rates.

14 **Sufficiency of Schedule of Quantities:** The Contractor shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender for the works and of the prices stated in the Schedule of Quantities and/or the schedule of rates and prices which rates and prices shall cover all his obligations under the contract, and all matters and things necessary for the proper completion of the works.

15. **Measurement of works**: The Bank's Engineer may, from time to time, intimate to the contractor that he requires the works to be measured, and the Contractor shall forthwith attend or send a qualified agent to assist Assistant Manager (Tech) / Manager (Tech) / Assistant General Manager (Tech) in taking such measurements and calculations and to furnish all particulars or to give all assistance required by any of them.

Should the Contractor not attend or neglect or omit to send such agent then the measurement taken by the Bank's Engineer or a person approved by him shall be taken to be correct measurement of the works. Such measurements shall be taken in accordance with the Mode of Measurements detailed in the Specifications.

The Contractor or his Agent may at the time of measurement take such notes and measurement as he may require.

All authorized extra works, omissions and all variations made with the prior approval in writing of Employer shall be included in such measurements.

16 **Unfixed materials when taken into account to be the property of the Employer**

Where in any certificates (of which the Contractor has received payment) the Bank's Engineer has included the value of any unfixed materials included for and/or placed on or adjacent to the works such materials shall become the property of the Employer and they shall not be removed except for use upon the works, without the written authority of the Employer. The Contractor shall be liable for any loss of, or damage to, such materials.

- 17 **Removal of improper work** : The Employer shall, during the progress of the works, have power to order in writing from time to time the removal from the works within such reasonable time or times as may be specified in the order of any materials which in the opinion of the Bank's Engineer are not in accordance with the Specifications, the substitutions of proper materials, and the removal and proper re-execution of any work executed with materials or workmanship not in accordance with the drawings & specifications or instructions and the contractor shall forthwith carry out such order at his own cost. In case of default on the part of Contractor to carry out such order, the Employer shall have the power to employ any pay other persons to carry out the same; and all expenses consequent thereon, or incidental thereto, shall be borne by the Contractor, or may be deducted by the Employer from any moneys due, or that may become due, to the Contractor.

- 18 **Defects after virtual completion** : Any defect, shrinkage, settlement or other fault which may appear within the "Defects Liability Period" stated in the Appendix hereto, or, if none stated them within twelve months after the virtual completion of the works, arising in the opinion of the Employer from materials of workmanship not in accordance with the contract, shall upon the direction in writing of the Employer, and within such reasonable time as shall be specified therein, be amended and made good by the Contractor, at his own cost and in case of default the Employer may employ and pay other persons to amend and make good such defects, shrinkage settlements or other faults, and all damages loss and expenses consequent thereon are incidental thereto shall be made good and borne by the Employer or may be deducted by the Employer, upon the Bank's Engineer's

Certificate in writing, from any money due or that may become due to the Contractor, or the Employer may in lieu of such amending and making good by the Contractor deduct from any money due to the Contractor a sum, to be determined by the Employer equivalent to the cost of amending such work and in the event of the amount retained hereof being insufficient, recover the balance from the Contractor, together with any expenses the Employer may have incurred in connection therewith. Should any defective work have been done or materials supplied by any sub-contractor employed on the works who has been nominated, the contractor shall be liable to make good in the same manner as if such work or material had been done or supplied by the Contractor and been subject to the provision of this clause and clause 7 hereof. The contractor shall remain liable under the provisions of the clause notwithstanding the signing of any certificate or the passing of any accounts by the Employer.

19 **Completion certificate:** The works shall not be considered as completed until the Bank's Engineer has certified that they have been virtually completed. The defects liability period shall commence from the date of virtual completion.

20. Within 10 days of the completion of the work, the contractor shall give notice of such completion to the Bank's Engineer and within 60 days of the receipt of such notice, the Bank's Engineer shall inspect the work and if there is defect in the work, a letter shall be furnished to the contractor indicating defects, (a) to be rectified by the contractor and/or (b) for which payment be made at reduced rates shall be issued. The work shall not be considered to be complete until the contractor shall have removed from the premises on which the work was executed all scaffolding, surplus materials, rubbish, temporary shed been erected or constructed by the contractor(s) and cleared off the dirt from all work, doors, windows, walls, floors or other parts of any building, in, upon or about which the work was executed, or of which he may have had possession for the purpose of the execution thereof, and not until the work shall have been measured by the Bank's Engineer.

21 **Nominated Sub-Contractor:** All Specialists, Merchants, Tradesmen and others executing any work of supplying and fixing any goods for which the prime cost prices or provisional sums are included in the Schedule of Quantities and/or Specifications who may be nominated or selected by the Employer or hereby declared to be sub-contractors employed by the contractor and are herein referred to as nominated sub-contractors.

No nominated sub-contractors shall be employed on or in connection with the works against the Contractor shall make reasonable objection are (save where the Architect and the Contractor shall otherwise agree) who will not enter into contract providing.

(a) That the nominated sub-contractor shall indemnify the contractor against the same obligation in respect of the sub-contract as the contractor is under in respect of this contract.

(b) That the nominated sub-contractor shall indemnify the contractor against claims in respect of any negligence by the sub-contractors his servants or agents or any misuse by him or them or any scaffolding or other plant, the property of the Contractor or under any Workmen's Compensation Act in force.

(c) Payment shall be made to the nominated sub-contractor within fourteen days of his receipt of the Employer's Certificate provided that before any Certificate is issued the Contractor shall upon request furnish to the Bank proof that all nominated sub-contractors accounts included in previous certificates have been duly discharged; in default whereof the Employer may pay the same upon a Certificate of the Bank and deduct the amount thereof from any sums due to the Contractor. The exercise of this power shall not create private of contract as between Employer and Sub-Contractor.

22 **Other persons employed by Employer:** The Employer reserves the right to use premises and any portion of the site for the execution of any work not included in this Contract which it may desire to have carried out by other persons, and the Contractor shall allow all reasonable facilities for the execution of such work but shall not be required to provide any plant or material for the execution of such work except by special arrangement with the Employer. Such work shall be carried out in such manner as not to impede the progress of the works included in the Contract and the Contractor shall not be responsible for any damage or delay which may happen to or occasioned by such work.

23 **Insurances:** The contractor shall be responsible for any injury to persons, animals or things and for all structural and decorative damage to property which may arise from the operation or neglect of himself or of any nominated sub-contractor's employees, whether such injury or damage arise from carelessness, accident or any other case whatever in any way connected with the carrying out of the contract. This clause shall be held to include, inter-alia, any damage to buildings, whether immediately adjacent or otherwise, and any damage to roads, streets, footpaths, bridges or ways as well as all damage caused to the buildings and works forming the subject of this contract, by frost or other inclemency of weather. The contractor shall indemnify the Employer and hold him harmless in respect of all and any expenses arising from any such injury or damage to persons or property as aforesaid and also in respect of any claim made in respect of injury or damage under any Acts of Government or otherwise and also in respect of any award of compensation or damages consequent upon such claims. The contractor shall reinstate all damages of every sort mentioned in this clause, so as to deliver up the whole of the contract works complete and perfect in every respect and so as to make good or otherwise satisfy all claims for damage to the property of third parties. The contractor shall indemnify the Employer against all claims which may be made against the Employer by any member of the public or other **third party** in respect of anything which may arise in respect of the works or in consequence thereof and shall at his own expenses arrange to effect and maintain, until the virtual completion of the contract with an approved office, a policy of insurance in the joint names of the Employer (first name) and the Contractor against such risks and deposit such policy or policies with the Employer from time to time during the currency of this contract. The minimum limit of the coverage under the policy shall be **Rs. 2 lakh** per person for any one accident or occurrence and **Rs. 5 lakh** in respect of damage to property for any one accident or occurrence. The contractor shall also similarly indemnify the Employer against all claims which may be made upon the Employer whether under the **Workmen's Compensation Act** or any other statutes in force during the currency of this contract or at Common Law in respect of any employee of the contractor or any sub-contractor and shall at his own expense effect and maintain, until the virtual completion of the contract, with an approved office a policy of

insurance in the joint names of the Employer (first name) and the Contractor against such risks and deposit such policy or policies with the Employer from time to time during the currency of the contract. The Contractor shall be responsible for anything, which may be excluded from the insurance policies above referred to, and also for all other damages to any property arising of and incidental to the negligent or defective carrying out of this contract. He shall also indemnify the Employer in respect of any costs, charges or expenses arising out of claim or proceedings of damage arising there from. The Employer shall be at liberty and is hereby empowered to deduct the amount of any damage, compensation, costs, charges and expenses arising or occurring from or in respect of any such claims or damage from any or all sums due or to become due to the contractor. In addition to the above, the Contractor shall insure the work and take **CAR (Contractors All Risk) policy** against loss due to fire, theft, earthquake etc., for the entire contract amount with an approved insurance company till the virtual completion of the work and deposit the policy or policies with the Employer before commencing the work. In default of the Contractor insuring as provided above, the Employer may so insure and deduct the premiums paid from any money due or which may become due to the Contractor. In case, if for any reason, the Insurance is not taken, by oversight, by the Employer also and the fact comes to light at a later stage, the Employer shall deduct the premium for the Insurance as assessed by the Employer and the contractor shall accept the same without demur. The contractor shall be responsible for any liability which may not be covered by the insurance policies referred to above and also all other damages to any person, animal or effective carrying out of this contract, whatever may be the reasons due to which the damage shall have been caused. The contractor shall, upon settlement by the insurer of any claim made against the insurer pursuant to a policy taken under this clause, proceed with the diligence to rebuild or repair the work destroyed or damaged. In this event all the money received from the insurer in respect of such damage shall be paid to the contractor and the contractor shall not be entitled to any further payment in respect of the expenditure incurred for rebuilding or repairing of the materials or goods destroyed or damaged. The contractor, in case of rebuilding or reinstatement after fire etc, shall be entitled to such extension of time for completion as the Bank's Engineer may deem fit, but shall however, not be entitled to reimbursement by the Employer or any shortfall or deficiency in the amount finally paid by the Insurer in settlement of any claim arising as set out herein. Without prejudice to his liability under this clause, the contractor shall cause all nominated subcontractors to effect, for their respective portions of the works, similar policies of Insurance in accordance with provisions of this clause and shall produce or cause to produce to the Employer such policies. The contractor shall not permit a nominated sub-contractor to commence work at the site unless the above said Insurance Policies are submitted. In the event of failure of the subcontractor to take out such a policy of insurance before commencing the works at the site, the contractor shall be responsible for any claim or damage attributable to the said sub-contractor.

- 24 **Date of commencement and completion:** The Contractor shall be allowed admittance to the site on "Date of Commencement" stated in the Appendix hereto, or each later date as may be specified by the Employer and be shall thereupon and forthwith begin the works and shall regularly proceed with and complete the same (except such painting or other decorative work as the bank may desire to delay) or before the "Date of Completion" stated in the Appendix subject nevertheless to provisions for extension of time hereinafter contained.

- 25 **Damages for non-completion**: If the Contractor fails to complete the works by the date stated in the Appendix or within any extended time under Clause 28 here the Contractor shall pay the Employer the sum named in the Appendix as "Liquidated Damages" for the period during which the said works shall so remain incomplete and the Employer may deduct such damages from any money due to the Contractor.
- 26 **Delay and extension of time**: If in the opinion of the Employer the works be delayed (a) by force majeure or (b) by reason of any exceptionally inclement weather or c) by reason of proceedings taken or threatened by or dispute with adjoining or neighbouring owners or public authorities arising otherwise than through contractor's own default or (d) by the works or delays of other contractor or Tradesmen engaged or nominated by the Employer and not referred to in the schedule of quantities and/or specifications or (e) by reasons of Bank's Engineer instruction as per clause 2 hereof (f) by reason of civil commotion, local combination of workmen or strike or lockout affecting any of the building trades or (g) in consequence of the Contractor not having received in due time necessary instructions from the Bank for which he shall have specifically applied in writing or (h) from other causes which the Bank may certify as beyond the control of contractor or (I) in the event, the value of the work exceed the value of the Priced Schedule of Quantities owing to variation, the Bank may make a fair and reasonable extension of time for completion shall as soon as may be given written notice thereof to the bank but the Contractor shall nevertheless constantly use his endeavors to prevent delay and shall do all that may reasonably has required to the satisfaction of Bank to proceed with work.
- 27 **Contractor's failure to comply with Employers instruction**: If the Contractor after receipt of written notice from the Employer requiring compliance within 10 days fails to comply with such further drawings and/or Bank's instructions the Employer may employ and pay other persons to execute any such work whatsoever that may be necessary to give effect thereto, and all costs incurred in connection therewith shall be recoverable from the Contractor by the Employer as a debt or may be deducted by him from any moneys due to the Contractor.
- 28 **Termination of Contract by the Employer**: If the Contractor being an individual or a firm commits any "act of insolvency" or shall be adjudged an insolvent or being an incorporated company shall have an order for compulsory winding up made against it or pass an effective resolution for winding up voluntarily or subject to the supervisions of the court and the Official Assignee or the Liquidator in such acts of insolvency or winding up, as the case may be, shall be unable within seven days after notice to him requiring him to do so to show the reasonable satisfaction of the Architect that he is able to carry out and fulfill the Contract and to given security therefore, if so required by the Architect.

Or if the Contractor (whether an individual, first or incorporated company shall suffer execution or other process of court attaching property to be issued against the Contractor.

Or shall suffer any payment under this contract to be attached by or on behalf of any of the creditors of the Contractors.

Or shall assign to sublet this Contract without the consent in writing of the Employer first had and obtained.

Or shall charge or encumber this Contract or any payments due or which may become due to the Contractor hereunder.

- (i) Has abandoned the Contract, or
- (ii) Has failed to commence the works, or has without any lawful excuse under these conditions suspended the progresses of the works for fourteen days after receiving from the Bank notice to proceed or
- (iii) Has failed to proceed with the work with such due diligence and failed to make such due progress as would enable the works to be completed within the time agreed upon, or
- (iv) Has failed to remove materials from the site or to pull down and replace work for seven days receiving from the Bank written notice that the said materials or work were condemned and rejected by the Bank's Engineer under these conditions' or
- (v) Has neglected or failed persistently to observe and perform all of any of the acts, matter or things by the Contract to be observed and performed by the Contractor for seven days after written notice shall have been given to the Contractor requiring the Contractor to observe or perform the same.

Then and in any of the said cases the Employer may, notwithstanding any previous waiver, after giving seven days notice in writing to the Contractor, determine the Contract, the whole of which shall continue in force as fully as if the Contract has not been so determined, and so if the works subsequently execute had been executed by or on behalf of the Contractor. And further, the Employer by his agents or servants may enter upon and taken possession of the works and all plant, tools scaffoldings, sheds, machinery, steam and other power utensils and materials lying upon the premises or the adjoining lands or roads, and use the same as his own property or may employ the same by means of his own servants and workmen in carrying on and completing the work or by employing any other Contractor or other person or persons to complete the works, and the Contractor shall not in any way interrupt or do any act matter or thing to prevent or hinder such other contractor or other person or persons employed for completing and finishing or using the materials and plant for the works. When the works shall be completed or as soon thereafter as convenient the Bank shall give a notice in writing to the Contractor to remove his surplus materials and plant, and should the Contractor fail to do so within a period of fourteen days after receipt thereof by him, the Employer may sell the same by public auction, and give credit to the Contractor for the net amount realised. The employer shall thereafter ascertain and certify in writing under his hand what of the said plant and materials so taken possessions or by the Employer and the expenses or loss which the Employer shall have been put to in procuring the works to be completed and the amount. If any, owing the Contractor and the amount which shall be so certified shall thereupon be paid by the Employer to the Contractor or by the Contractor to the Employer and the Certificate of the Bank shall be final and conclusive between the parties.

29 Termination of Contract by Contractor:

If, the payment of the amount payable by the Employer under Certificate of the Bank's Engineer shall be in arrears and unpaid for thirty days after notice in writing requiring

payment of the amount as aforesaid shall have been given by the Contractor to the Employer, or if the Employer interferes with or obstructs the issue of any such Certificate, or if the Employer shall repudiate the Contract, or if the works be stopped for three months under the order of the Architect or the Employer or by any injunction or other order of any court of Law, then and in any of the said cases the Contractor shall be in liberty to determine the Contract by notice in writing to the Employer, and he shall be entitled to recover from the Employer, payment for all works executed and for any loss he may sustain upon any plant or materials supplied or purchased or prepared for the purpose of the Contract.

In arriving at the amount of such payment the net rates contained in the Contractor's original Tender shall be followed or where the same may not apply valuation shall be done by Bank's Engineer.
