Clarification: Kindly refer tender part I, section IV, point 7 (Page No. 79 and 80).

Query: What should be the arrangement for transit period between dismantling of old DG set and installation of the new one?

Clarification: The alternate DG set arrangement should be provided by the vendor for the transit period and during installation of new DG set. The operations and maintenance of the same should be carried out by the vendor. The rent and diesel cost of alternate DG set will be reimbursed by the Bank on the submission of bills.
