**Note:** The tenderers are advised to offer their best possible rates. There would generally be no negotiations hence please submit your most competitive prices while submitting the price bid. However in case the lowest rate appears to be reasonable taking into account the prevailing market conditions, the order may be awarded to the lowest bidder and if the rate is still considered high, action as per prevailing instruction/guideline shall be taken.

3. All entries in the tender should be entered in online Technical & Commercial Formats without any ambiguity.

4. Vendors are instructed to use Attach Documents link in bidding floor to upload documents in document library. Multiple documents can be uploaded. Maximum size of single document for upload is 4 MB. For further assistance please follow instructions of vendor guide. Special Note towards Transaction fee: The vendors shall pay the transaction fee using “Transaction Fee Payment” Link under “My Menu” in the vendor login. The vendors have to select the particular tender from the event dropdown box. The vendor shall have the facility of making the payment either through NEFT or Online Payment. On selecting NEFT, the vendor shall generate a challan by filling up a form. The vendor shall remit the transaction fee amount as per the details printed on the challan without making change in the same. On selecting Online Payment, the vendor shall have the provision of making payment using its Credit/Debit Card/Net Banking. Once the payment gets credited to MSTC’s designated bank account, the transaction fee shall be auto authorized and the vendor shall be receiving a system generated mail. Transaction fee is non-refundable. A vendor will not have the access to online e-tender without making the payment towards transaction fee.

**NOTE -** Bidders are advised to remit the transaction fee well in advance before the closing time of the event so as to give themselves sufficient time to submit the bid.

5. All notices and correspondence to the bidder(s) shall be sent by e-mail only during the process till finalization of tender by RBI. Hence the bidders are required to ensure that their corporate e-mail I.D. provided is valid and updated at the stage of registration of vendor with MSTC (i.e. Service Provider). Bidders are also requested to ensure validity of their DSC (Digital Signature Certificate).

6. (i) Please note that there is no provision to take out the list of parties downloading the tender document from the web site mentioned in NIT. As such, bidders are requested to see the web site once again before the due date of tender opening to ensure that they have not missed any corrigendum uploaded against the said tender after downloading the tender document. The responsibility of downloading the related corrigenda, if any, will be that of the downloading parties.

(ii) No separate intimation in respect of corrigendum to this NIT (if any) will be sent to tenderer(s) who have downloaded the documents from web site. Please see Website [www.mstcecommerce.com/eprochome/rbi](http://www.mstcecommerce.com/eprochome/rbi) of MSTC Ltd.
8. **Bidding in e-tender:**

(a) Bidder(s) need to submit necessary EMD to be eligible to bid online in the e-tender. No interest will be paid on EMD.

(b) The process involves Electronic Bidding for submission of Techno Commercial Bid as well as Price Bid.

(c) The bidder(s) who have submitted the above fees can only submit their Techno Commercial Bids and Price Bid through internet in MSTC website [www.mstcecommerce.com](http://www.mstcecommerce.com) → e-procurement → Psu /Govt. depts. → RBI Vendor Login → My menu → Auction Floor Manager → live event → Selection of the live event → Techno Commercial Bid.

(d) The bidder should allow to run an application namely enApple by accepting the risk and clicking on run. This exercise has to be done twice immediately after clicking on the Techno-Commercial bid. If this application is not run then the bidder will not be able to save/submit his bid.

(e) After filling the Techno-Commercial Bid, bidder should click ‘save’ for recording their Techno-Commercial bid. Once the same is done, the Price Bid link becomes active and the same has to filled up and then bidder should click on “save” to record their price bid. Then once both the Techno-Commercial bid & price bid has been saved, the bidder can click on the “Submit” button to register their bid.

**NOTE:** - The Techno-Commercial Bid & price bid cannot be revised once the “Final Submission” button has been clicked by the bidder.

(f) In all cases, bidder should use their own ID and Password along with Digital Signature at the time of submission of their bid.

(g) During the entire e-tender process, the bidders will remain completely anonymous to one another and also to everybody else.

(h) The e-tender floor shall remain open from the pre-announced date & time and for as much duration as mentioned above.

(i) All electronic bids submitted during the e-tender process shall be legally binding on the bidder. Any bid will be considered as the valid bid offered by that bidder and acceptance of the same by the Buyer will form a binding contract between Buyer and the Bidder for execution of supply. Such successful tenderer shall be called hereafter supplier.

(j) It is mandatory that all the bids are submitted with digital signature certificate otherwise the same will not be accepted by the system.

(k) Buyer reserves the right to cancel or reject or accept or withdraw or extend the tender in full or part as the case may be without assigning any reason thereof.

The bidders are also advised to send the proof of remittance with transaction number (scanned copy) to **estateagartala@rbi.org.in** before 15:00 Hrs. on
April 27, 2022. Please mention your company name in NEFT transaction remarks. The Earnest Money Deposit (EMD) is also acceptable in Bank Guarantee in the form prescribed by the Bank in Annex. The EMD paid by the e-Tenderer shall be held by the Reserve Bank of India initially valid for 4-6 months, shall remain un-discharged for such period as may be specified for keeping the tender open. No interest shall be paid on the said deposit. Under no circumstances, Earnest Money Deposit will be accepted in the form of fixed deposit receipts or insurance guarantee or cheque or cash.

The EMD of successful tenderer shall be released on acceptance of the tender and on production of a new Bank Guarantee called “Performance Bank Guarantee (PBG)” from any scheduled commercial bank in the form prescribed by the Bank in Annex towards security deposit for due fulfilment of the Contract.

On receipt of intimation from the Bank of the acceptance of his/their tender, the successful tenderer shall be bound to implement the Contract within fourteen days thereof. The successful tenderer shall sign an agreement in accordance with the draft agreement and the Scheduled of Conditions but the written acceptance by the Reserve Bank of India of a tender will constitute a binding contract between the Reserve Bank of India and the person so tendering, whether such formal agreement is or is not subsequently executed.

3.11.2 All compensation or other sums of money payable by the Contractor to the Employer under the terms of this Contract may be deducted from the security deposit, if the amount so permits unless the contractor deposits such amounts in cash within ten days of issue of demand notice by the Bank.

3.11.3 a) Performance Bank Guarantee (PBG) as security deposit for completion period: On award of the work, the successful tenderer shall furnish an amount equal to 10% (Ten percent) of the contract value in the form of a Bank Guarantee (BG) from any scheduled commercial Bank in the form prescribed by the Bank as per Annexure towards security deposit for the due fulfilment of the contract. This Performance Bank Guarantee (PBG) shall be initially valid for a period of contract duration plus three (3) months and shall be suitably extended till final completion of the work plus three (3) months in case of extension of contract period. The Bank Guarantee towards the Earnest Money Deposit (EMD) furnished at the time of submission of tender will be returned thereafter. Such Performance Bank Guarantee (PBG) should be submitted to the Bank within 15 days of the issue of work order.

If the tenderer fails to furnish the Performance Bank Guarantee within stipulated time period, their tender is liable to be cancelled and the EMD deposited shall be enforced without prejudice for
further loss or damage.
The Bank Guarantee towards EMD shall be suitably extended, if necessary, the successful tenderer till the date fixed by the Bank for furnishing the PBG towards security deposit for the due fulfilment of the contract.

b) **Bank Guarantee towards defect liability period and NCMSC (ie. Non-Comprehensive Maintenance Service Contract) period: -**

After completion of the work, validity of PBG may be extended till one year from the date of Virtual completion or the successful tenderer shall furnish an amount equal to 10% (Ten percent) of the contract value in the form of BG (Bank Guarantee) from any scheduled commercial Bank in the form prescribed by the Bank as per Annex towards Security Deposit for the due fulfilment of the terms and obligations of the DLP and CAMSC period.

This 10% BG should be initially valid for a period of one year from the date of Virtual completion and after that it shall be further extended for an equal reduced amount annually, for due fulfilment of the maintenance contract condition for a further period of 9 years.

The Bank reserves the right to enforce the Bank Guarantee in case of unsatisfactory performance of the terms, conditions of DLP and NCMSC set out in the tender at any time during the currency of committed period of 9 years.

3.12 **Terms / mode of Payment:**

The payment for the works to be executed under this contract shall be made as follows and no variation in the mode of payment will be acceptable to the Reserve Bank of India. The payment will be made as follows:

1) 60% of the quoted rate on pro-rata basis against delivery of materials at site after checking the same and on submission of the following documents:

   a) Manufacturer's Inspection and Test Certificates
   b) Contractor's Certificate that all components, parts, sub systems, consumables etc. for successful installation, commissioning and testing of the systems including maintenance have been received at site in good condition and if any shortfall is noticed during installation, commissioning and testing they will be supplied free to the Bank.
   c) Policies of insurance covering all the risk during transit, storage, installation, commissioning & handing over including third party liabilities as per e-Tender conditions.

2) Balance 25% of the quoted rates against erection and testing.
3) Balance 15% of the quoted rates after commissioning and handing over of the entire system and submission of BG as per clause 3.11.3 and submission of approval from local Regional Pollution Control Board and permission to run the generator (viz., consent to establishment and consent to operation)

3.13 Taxes:-

The prices quoted shall be deemed to have included all taxes including GST, custom duty, excise duty, local levies, works contract tax etc. imposed by Central/State Government/ Local Bodies. If the Tenderer fails to include such taxes and duties in the tender, no claim thereof will be entertained by the Bank afterwards. As per Indian laws, income tax will be deducted at source and a certificate for the same will be issued to the contractor.

3.14 Insurance:-

The contractor shall, within 14 days from the date of commencement of the works, insure the works at his cost and keep them insure until the virtual completion of reworks, against loss or damage by fire with an office in the joint names of the employer and the contractor (the name of the former i.e. RBI being placed first in the policy) for the full amount of the contract. Such policy shall cover the property of the "Employer" only. The contractor shall deposit the policy and receipts for the premium with the employer within twenty-one days from the commencement of the works. In default of the contractor, insuring as provided above, the employer may so insure the works and may deduct the premium paid from any moneys due, penalty etc., or which may become due to the Contractor without prejudice to the other rights of the Employer in respect of such default. In case it becomes necessary to suspend the works, the Contractor shall as soon as the claim under the policy is settled, or the work reinstated by the Insurance Office, should they elect to do so, proceed with all due diligence with the completion of the works in same manner as though the fire had not occurred and in all respects under the same conditions of Contract. The Contractor in case of rebuilding or reinstatement after fire shall been titled to such extension of time for completion as deems fit.

The contractor shall take all insurances at his cost to cover all kinds of risks from the time the equipment’s/materials leave the manufacturer's works till handing over the said system to the Bank, in the joint names of the Bank and the contractor and it shall cover the following risks.

- Storage, erection, testing and commissioning policy.
- Transit insurance for transportation from manufacturer's works to site (By Air/sea/Road etc. as applicable).
- Workmen compensation policy for the employees of the contractor at site.
- Third party liability policy for a total of Rs.10.00 lakh and with a limit of Rs. 2 lakh per accident.

**Note:** These policies shall be valid till the completion of the work & in the joint name of RBI with
RBI’s name being the first one. If the contractor does not provide these policies, the Bank reserves the right to take the above insurance policies themselves and recover the cost thereof from the bill of the contractor or any other action.

3.15 **Completion Period:-**

3.15.1 Time allowed for carrying out the work, as mentioned in the Memorandum, shall be strictly observed by the Contractor and it shall be reckoned from the from the 14th day of issue of the letter of acceptance of tender. The work shall throughout the stipulated period of the contract be proceeded with all the diligence and if the contractor fails to complete the work within the specified period, he shall be liable to pay liquidated damages as defined in “Appendix herein before referred to” of the contract.

3.15.2 The contractor shall submit a Bar Chart for completion of the work within the contractual completion period from the tenth day of letter of intent. Such chart shall include all activities like the date of supply of material at site, item wise completion of work etc., and obtain the approval of the Bank.

3.15.3 Bank will provide lockable storage space within the compound of the building. However the responsibility and safety of the materials stored will be with the contractor. No accommodation will be provided for any worker by the Bank.

3.16 **Warranty / Defects Liability Period.**

The equipment’s supplied & installed i.e. the entire work, shall be guaranteed against all types of defects for a period of one year from the date of handing over of the equipment to the Bank. Any defects found in the system/sub-assemblies within the guarantee period shall be rectified / replaced by the tenderer free of cost. During this period, servicing at quarterly interval or earlier, as prescribed by the manufacturer and as mutually agreed to, shall be carried out free-of-cost. Tenderer shall also indicate the service facility available at the places of installation / Guwahati / kolkata and technical set-up and the telephone number and address of their Service Centre. The tenderers shall indicate details such as the service centre from which the proposed systems will be serviced, the staff strength at that centre and the availability of spares for the system at that center.

The contractor shall furnish an undertaking that they will provide spares and support and maintain the DG Set satisfactorily for a minimum period of **9 years** from the date of expiry of the defect liability period. After **1 year DLP** and the contract rate will be renewed annually subject to only price variation clause as specified in the tender. The **NCMS** will include all labour charges and supervisory charges towards inspection of the DG Set which will be carried out quarterly and a report submitted to the Bank about the condition of the DG set. It will also include all labour charges and supervisory charges required for annual maintenance and other works as recommended by the manufacturer and
preparation of estimates for all breakdown and repair works. All spares and consumables as required will be arranged by the contractor with prior approval of the Bank and will be paid by the Bank over and above the agreed NCMS charges.

The tenderers shall quote their charges for the above **Non-comprehensive maintenance service contracts** of the DG Set which will be applicable after the expiry of the warranty period / DLP, the contract amount shall be paid on half yearly basis on rendering satisfactory service. This service contract shall be renewed annually. This being an emergency system, any fault in the system shall be rectified as per the rectification time given below failing which penalty shall be applied.

Ap          The Contract amount for the previous year

During the period of Contract, the system shall be serviced and maintained as per frequency
described in the contract agreement for NCMS to ensure that all the system equipment’s are
functioning normally and satisfactorily. The routine maintenance shall also include cleaning of all
equipment’s.

3.17 Evaluation of Tenders: -

Tenders will not only be evaluated on the basis of capital cost but also taking into account the rates
quoted for Non-Comprehensive Annual Maintenance Service Contract for a period of 9 years after
one year guarantee period (i.e DLP). Tenders will therefore be evaluated based on the overall
owning cost which will be arrived at as under.

Total owning cost = Net Capital Cost (Cost of new equipment’s) + NPV factor for NMSC X Charges
for NMSC per annum.

i.e., Total owning cost = Net Capital cost (Cost of new equipment) + 7.0476 X quoted per annum
cost for NMSC.

For calculating the NPV of Comprehensive Annual Maintenance Service contract the following
factors has considered.

</tr>
</tbody>
</table>
(b) The net prices of the original tender shall determine the value of the items omitted, provided if omissions vary the conditions under which any remaining items of works are carried out, the prices for the same shall be valued under sub-clause (c) hereof.

(c) Where the extra works are not of similar character and/or executed under similar conditions as aforesaid or where the omissions vary the conditions under which any remaining items of works are carried out or if the amount of any omission or additions relative to the amount of the whole of the Contract works or to any part thereof shall be such that in the opinion of the Employer the net rate or price contained in the Priced Schedule of Quantities or tender or for any item of the works involves loss or expense beyond that reasonably contemplated by the Contractor or is by reason of such omission or addition rendered unreasonable or inapplicable, the Employer shall fix such other rate or price as in the circumstances he shall think reasonable and proper.

(d) Where extra work can not be properly measured or valued, the Contractor shall be allowed day work prices at the net rates in accordance with the local day work rates and wages for the district, provided that in either case vouchers specifying the daily time and materials employed, be delivered for verification to the Bank's Employer at or before the end of the week following that in which the work has been executed.

The measurement and valuation in respect of the Contract shall be completed within the “period of final measurement” stated in the Appendix.

4.16 Unfixed materials when taken into account to be the property of the Employer

Where in any Certificate (of which the Contractor has received payment) the Employer has included the value of any unfixed materials intended for and/or placed on or adjacent to the works, such materials shall become the property of the Employer and they shall not be removed except for use upon the works, without the written authority of the Employer. The Contractor shall be liable for any loss of or damage to such materials.

4.17 Removal of improper work

The Employer shall, during the progress of the works, have power to order in writing from time to time the removal from the works within such reasonable time or times, as may be specified in the order, of any materials which in the opinion of the Employer are not in accordance with the Specifications or the instructions of the Employer, the substitution of proper materials, and the removal and proper re-execution of any work executed with materials or workmanship not in accordance with the Drawings and Specifications or instruction, and the Contractor shall forthwith carry out such order at his own cost. In case of default on the part of the Contractor to carry out such order, the
Employer shall have the power to employ and pay the other persons to carry out the same, and all expenses consequent thereon, or incidental thereto shall be borne by the Contractor, or may be deducted by the Employer from any moneys due, or that may become due, to the Contractor.

4.18 **Defects after virtual completion**

Any defect, shrinkage, settlement or other faults which may appear within the “Defects Liability Period” stated in the Appendix hereto, within 12 months from the date of commissioning/handed over of the system, arising in the opinion of the Employer from materials or workmanship not in accordance with the contract, shall upon the directions in writing of the Employer, and within such reasonable time as shall be specified therein, be amended and made good by the Contractor, at his own cost and in case of default, the Employer may employ and pay other persons to amend and make good such defects, other faults, and all damages, loss and expenses consequent thereon or incidental thereto shall be made good and borne by the Contractor and such damage, loss and expenses shall be recoverable from him by the Employer or may be deducted by the Employer from any moneys due or that may become due to the Contractor, or the Employer may in lieu of such amending and making good by the Contractor deduct from any money due to the Contractor a sum to be determined by the Employer equivalent to the cost of amending such work. The Contractor shall remain liable under the provision of this Clause, notwithstanding the signing of any certificate or the passing of any accounts, by the Employer.

4.19 **Certificate of virtual completion and Defects Liability Period**

The works shall not be considered as completed until the Employer has certified in writing that they have been virtually completed. The Defects Liability Period shall commence from the date of such Certificate.

4.20 **Insurance in respect of damage to person and property**

4.20.1 The Contractor shall be reasonable for all injury to persons, animals or things, and for all structural and decorative damage to property which may arise from the operation or neglect of himself or of any nominated Sub-Contractor or any employee or either, whether such injury or damage arises from carelessness, accident or any other cause whatever, in any way connected with the carrying out of this Contract. This Clause shall be held to include inter alia, any damage to buildings, whether immediately adjacent or otherwise, and any damage to roads, streets, footpaths, bridges or ways as well as all damage caused to the buildings and works forming the subject of this Contract by frost, rain wind or other inclemency of weather. The Contractor shall indemnify the Employer and hold him harmless in respect of all and any expenses arising from any such injury or damage to persons or property as aforesaid and also in respect of any claim made in respect of injury or damage under any Acts of any legislature or otherwise and also in respect of any award of compensation or damages consequent upon such claim.

4.20.2 The Contractor shall reinstate all damage of every sort mentioned in this Clause, so as to deliver up the whole of the Contract works complete and perfect in every respect and so as
to make good or otherwise satisfy all claims for damage to the property of third parties.

4.20.3 The Contractor shall indemnify the Employer against all claims which may be made against
the Employer by any member of the public or other third party in respect of anything which
may arise in respect of the works or in consequences thereof and shall at his own expense
arrange to effect and maintain, until the virtual completion of the Contract, with an approved
Office a Policy of Insurance in the joint names of the Employer and the Contractor against
such risks and deposit such Policy or Policies with the Employer from time to time during
the currency of this Contract. The Contractor shall also similarly indemnify the Employer
against all claims which may be made upon the Employer whether under the Workmen’s
Compensation Act or any other statute in force during the currency of this contract or at
Common Law in respect of any employee of the Contractor or any Sub-Contractor and shall
at his own expenses effect and maintain, until the virtual completion of the Contract, with
an approved Office a Policy of Insurance in the joint names of the Employer and the
Contractor against such risks and deposit such Policy or Policies with the Employer from
time to time during the currency of the Contract.

4.20.4. The Contractor shall be responsible for any liability which may be excluded from the
Insurance Policies above referred to and also for all other damages to any person, animal
or property arising out of and incidental to the negligent or defective carrying out of this
Contract. He shall also indemnify the Employer in respect of any costs, charges or expenses
arising out of any claim or proceedings and also in respect of any award of compensation
or damages, arising therefrom.

4.20.5 The Employer shall be entitled to deduct the amount of any damage, compensation, costs,
charges and expenses arising or accruing from or in respect of any such claims or damage
from any or all sums due or to become due to the Contractor, without prejudice to the
Employer’s other rights in respect thereof.

4.21 **Fire Insurance**

(a) The Contractor shall insure the works at his cost and keep them insured until the
virtual completion of the work, against loss or damage by fire with in the joint names of the
Employer and Contractor (the name of the former being placed first in the Policy), for
the full amount of the contract and for any further sum if called upon to do so by the
Employer, the premium of such further sum, being allowed to the Contractor as an
authorized extra. Such policy shall cover the property of the Employer only and the
Employer’s and Surveyors’ fees for assessing the claim and in connection with his services
generally in the reinstatement and shall not cover any property of the Contractor or of any
Sub-Contractor or employee. The Contractor shall deposit the Policy and receipts for the
premia as specified unless otherwise instructed by the Employer. In default of the Contractor
insuring as provided above, the Employer on his behalf, may so insure the works and may
deduct the premia paid from any moneys due or which may become due to the Contractor
without prejudice to the other rights of the Employer in respect of such default. In case it
becomes necessary to suspend the works, the Contractor shall, as soon as the claim under
the Policy is settled, or the work reinstated by the Insurance Office, should they elect to
do so, proceed with all due diligence with the completion of the works in the same manner as though the fire had not occurred and in all respects under the same Conditions of Contract. The Contractor in case of rebuilding or reinstatement after fire, shall be entitled to such extension of time for completion as the Employer deems fit.

(b) The amount so due as aforesaid shall be the total value of the works duly executed and of the Contract materials and goods delivered upon the site for use in works up to and including a date not more than seven days prior to the date of the said Certificate less the amount to be retained by the Employer (as hereinafter provided) and less any instalments previously paid under this Clause. Provided that such certificate shall only include the value of the said materials and goods as and from time to time as they are reasonably, properly and not prematurely brought upon the site and then only if properly stored and/or protected against weather.

4.22 **Date of Commencement and Completion**

The Contractor shall be allowed admittance to the site on the “Date of Commencement” stated in the Appendix hereto or such later date as may be specified by the Employer and he shall thereupon and forthwith being the works and shall regularly proceed with and complete the same (except such painting or other decorative work as the Employer may desire to delay) on or before the “Date of Completion” stated in the Appendix subject nevertheless to the provisions for extension of time herein after contained.

4.23 **Damages for Non-completion**

If the Contractor fails to complete the works by the date stated in the Appendix Here in before, Referred to or within any extended time under Clause 4.24 hereof and the Employer certifies in writing that in his opinion the same ought reasonably to have been completed, the Contractor shall pay the Employer the sum named in the Appendix as “Liquidated Damages” for the period during which the said works shall so remain incomplete and the Employer may deduct such damages from any moneys due to the Contractor.

4.24 **Delay and Extension of Time**

If in the opinion of the Employer, the works be delayed (a) by force majeure or (b) by reason of any exceptionally inclement weather or (c) by reason of proceedings taken or threatened by or dispute with adjoining or neighboring owners or public authorities arising otherwise than through the Contractor’s own default or (d) by the works or delays of other Contractors or Tradesmen engaged or nominated by the Employer and not referred to in the Schedule of Quantities, and/or Specification or (e) by reason of Employer’s instructions as per Clause 4. 2 hereof or (f) by reason of civil commotion, local combination of workmen or strike or lock-out affecting any of the building trades or(g) in consequence of the Contractor not having received in due time, necessary instructions from the Employer for which he shall have specifically applied in writing or (h) from other causes which the Employer may certify as beyond the control of Contractor or (i) in the event the value of the work exceeds the value
of the Priced Schedule of Quantities owing to variation, make a fair and reasonable extension of time for completion of the Contract works, in case of such strike or lock-out the Contractor shall nevertheless constantly use his endeavors to prevent delay and shall do all that may reasonably be required to the satisfaction of the Employer to proceed with work.

4.25 **Failure by Contractor to comply with Employer’s instructions**

If the Contractor after receipt of written notice from the Employer requiring compliance within ten days fails to comply with such further drawings and the Employer may employ and pay other persons to execute any such work whatsoever that may be necessary to give effect thereto, and all costs incurred in connection therewith shall be recoverable from the Contractor by the Employer or may be deducted by him from any moneys due to the Contractor.

4.26 **Termination of Contract by the Employer**

If the Contractor being an individual or a firm commits any “act of insolvency”, or shall be adjudged an insolvent or being an Incorporated Company shall have an order for compulsory winding up made against it or pass an effective resolution for winding up voluntarily or subject to the supervision of the Court and the Official Assignee of the Liquidator, in such acts of insolvency or winding up, as the case may be, shall be unable, within seven days after notice to him requiring him to do so, to show the reasonable satisfaction of the Employer that he is able to carry out and fulfill the Contract and to give security therefore, if so required by the Employer.

Or if the Contractor (whether an individual, firm or Incorporated Company) shall suffer execution or other process of Court attaching property to be issued against the Contractor,

Or shall suffer any payment under this Contract to be attached by or on behalf of any of the creditors of the Contractor,

Or shall assign or sublet this Contract without the consent in writing of the Employer first had obtained,

Or shall charge or encumber this Contract or any payments due or which may become due to the Contractor hereunder,

Or if the Employer determine that the Contractor

(i) has abandoned the Contract, or
(ii) has failed to commence the works, or has without any lawful excuse under those Conditions suspended the progress of the works for 14 days after receiving from the Employer notice to proceed, or
(iii) has failed to proceed with the works with such due diligence and failed to make such due progress as would enable the works to be completed within the time agreed upon, or
(iv) has failed to remove materials from the site or to pull down, and replace work for
seven days after receiving written notice that the said materials or work were condemned and rejected by the Employer under these Conditions or

(v) has neglected or failed persistently to observe and perform all or any of the acts, matters or things by this Contract to be observed and performed by the Contractor for seven days after written notice shall have been given to the Contractor requiring the Contractor to observe or perform the same.

Then and in any of the said cases, the Employer may notwithstanding any previous waiver, after giving seven days' notice in writing to the Contractor, determine the Contract and liabilities of the Contractor, the whole of which shall continue in force fully as if the Contract had not been so determined, and as if the works subsequently executed had been executed by or on behalf of the Contractor and further, the Employer by his agents or servants may enter upon and take possession of the works and all plant, tools, scaffoldings, machinery and materials lying upon the premises or the adjoining lands or roads, and use the same as his own property or may employ the same by means of his servants and workmen in carrying on and completing the works or by employing any other Contractor or other person or persons to complete the works, and the Contractor or other person or persons employed for completing or finishing or using the materials and plant for the works. when the works shall be completed or as soon thereafter as convenient, the Employer shall give a notice in writing to the Contractor to remove his surplus materials and plant, and should the Contractor fail to do so within a period of twenty days after receipt thereof by him, the Employer may sell the same by public auction, and give credit to the Contractor for the net amount realized. The Employer shall thereafter ascertain in writing under his hand what (if anything) shall be due or payable to, or by the Employer, for the value of the said plant and materials so taken possession of by the Employer and the expense or loss which the Employer shall have been put to in procuring the works to be completed, and the amount, if any, owing to the Contractor and the amount which shall thereupon be paid by the Employer to the Contractor or by the Contractor to the Employer, as the case may be, and the decision of the Employer shall be final and conclusive between the parties.

4.27 Termination of Contract by Contractor

4.27.1 If payment of the amount payable by the Employer shall be in arrears and unpaid for thirty days after notice in writing requiring payment of the amount as aforesaid shall have been given by the Contractor to the Employer or if the Employer shall repudiate the Contract, or if the works be stopped for three months under the order of the Employer or by any injunction or other order of any Court of Law, then and in any of the said cases, the Contractor shall be at liberty to determine the Contract by notice in writing to the Employer and he shall be entitled to recover from the Employer, payment for all works executed and for any loss he may sustain upon any plant or materials supplied or purchased or prepared for the purpose of the Contract.

4.27.2 In arriving at the amount of such payment, the net rates contained in the Contractor's original Tender shall be followed, or where the same may not apply, valuation shall be made in accordance with Clause 4.15 hereof.
4.28 **Certificates and Payments**

4.28.1 The Contractor shall be paid by the Employer from time to time by installments under Interim Certificate to the Contractor on account of the works executed, work to the approximate value named in the Appendix as “Value of work for Interim Certificates” (or less at the reasonable discretion of the Employer) has been executed in accordance with this Contract, after which time the installments shall be up to the full value of work, subsequently so executed and fixed in the building. The Employer may, at his discretion, include in the Interim Certificate such amount as he may consider proper on account of materials delivered upon the site by the Contractor for use in the works. And when the works have been virtually completed and the Employer shall have certified in writing that they have been completed, the Contractor shall be entitled to the payment of the Final Balance in accordance with the Final certificate to be issued in writing by the Employer at the expiration of the period referred to as “the Defects Liability Period” in the Appendix hereto from the date of Virtual Completion or as soon after the expiration of such period as the works shall have been finally completed and defects made good according to the true intent and meaning hereof, whichever shall last happen, provided always that the issue by the Employer of any certificate during the progress of the works at or after their completion shall not relieve the Contractor from his liability under Clause 4. 20 nor relieve the Contractor of his inability in cases of fraud, dishonesty or fraudulent concealment relating to the works or materials or to any matter dealt within the Certificate, and in case of all defects and insufficiencies in the works or materials, which a reasonable examination would not have disclosed. No Certificate shall of itself be conclusive evidence that any works or materials, to which it relates, are in accordance with the Contract, neither will the Contractor have a claim for any amounts which the Employer might have been certified in any interim bill and paid by the Employer and which might subsequently be discovered as not payable and in this respect the Employer’s decision shall be final and binding.

4.28.2 The Employer shall have power to withhold any Certificate if the works or any parts thereof are not being carried out to his satisfaction.

4.28.3 The Employer may by any Certificate make any correction in any previous certificate which shall have been issued by him.

4.28.4 No certificate or payment shall be issued if the Contractor fails to insure the works and keep them insured till the issue of the Virtual Completion Certificate.

4.28.5 Payments shall be made within the period named in the Appendix as “Period for honouring Certificates” after such Certificates have been delivered to the Employer.

4.29 **Delayed Payment**

Any amounts payable by the Employer to the Contractor if not paid within the “Period for honouring Certificates” named in the Appendix, carry interest at the rate named in the Appendix as the “Rate of interest for delayed payment” from the date upon which such sum ought to have been paid by the Employer until the payment.
4.30 **Matters to be finally determined by Employer**

The decision, opinion, direction, Certificate (except for payment), with respect to all or any of the matter under Clauses 4.2(a), 4.2(b), 4.4,4.7,4.12,4.19,4.28 (1,2,3,4) hereof (which matters are herein referred to as the excepted matters) shall be final and conclusive and binding on the parties hereto and shall be without appeal. Any other decision, opinion, direction, Certificate or valuation of the Employer or any refusal of the Employer to give any of the same shall be subject to the right of arbitration and review under Clause 4.31 hereof in the same way in all respects (including the provision as to opening the reference) as if it were a decision of the Employer.

4.31 **Settlement of dispute by arbitration**

In case of any dispute or difference arising out of or in connection with or in carrying out of the work (whether during the progress of the work or after completion and whether before or after the determination, abandonment or breach of contract) except as to any of the excepted matters provided hereunder the parties hereto, shall first endeavor to settle such disputes or differences amicably. If both the parties fail to reach such amicable settlement, all the disputes or differences shall be finally settled by arbitrators as provided herein.

In case of failure of such amicable settlement by the parties, then either party may within 28 days of such a failure give a written notice to the other party requiring that all matters in dispute or difference be arbitrated upon. Such written notice shall specify the matters which are in dispute or differences of which such written notice has been given and no other matter shall be referred to the arbitration of a single arbitrator to be appointed by both the parties or in case of disagreement as to the appointment of a single arbitrator, the appointment of two arbitrators (one to be appointed by each party) and an umpire to be appointed by the arbitrators. The provisions of Arbitration and Conciliation Act, 1996 or any statutory modification or re-enactment thereof and rules framed thereunder from time to time shall apply to such arbitrations.

In the event of the Arbitrator or any one of the Arbitrators, as the case may be, dying, neglecting, refusing to act or resigning or being unable to act for any reason or the award being set-aside by the Court for any reason it shall be lawful for the parties to appoint another Arbitrator in the manner provided hereinabove.

The venue of arbitration shall be Agartala, INDIA.

The Arbitrator or Arbitrators appointed under this Schedule shall hold the arbitration proceeding jointly and shall have the power to extend the time to make the award with the consent of the parties.

Pending reference to arbitration and award thereon, the parties shall make all endeavor to complete the work in all respects as herein contracted and all disputes, if any, will finally be settled in the arbitration.

Upon every or any such references to the arbitration, as provided herein the cost of and incidental to the reference and award respectively shall be, at the discretion of the Arbitrator or Arbitrators or the Umpire, as the case may be, who may determine the amount thereof.
The Arbitrator, Arbitrators or Umpire, as the case may be, shall give reasoned award in respect of each item of disputes which shall be final and binding on both the parties. It is agreed that the Contractor shall not delay the carrying out of the work by reason of any such matter, question or dispute being referred to arbitration, but shall proceed with the work with all due diligence and shall, until the decision of the Arbitrators, as the case may be, is given, abide by the terms and conditions of the contract herein, as also instructions with regard to the actual carrying out of the work herein contracted and no award shall relieve the Contractor of his obligations to adhere strictly to the terms and conditions of the contract herein as also instructions with regard to the actual carrying out of the work. The Bank and the Contractor hereby also agree that arbitration under this schedule shall be a condition precedent to any right of action, under the Contract.

In case during the arbitration proceedings, the parties mutually settle, compromise or compound their dispute or difference, the reference to arbitration and the appointment of the Arbitrator or Arbitrators, or Umpire, as the case may be, shall be deemed to have been revoked and the arbitration proceedings shall stand withdrawn or terminated with effect from the date on which the parties file a joint memorandum of settlement thereof with the Arbitrator or Arbitrators or the Umpire, as the case maybe. For the purpose of this clause, the expression “excepted matters” shall mean and refer to all or any of the matters under Scope of work, Contract price, Delivery Schedule & Final Acceptance certificate.

4.32 Right of technical scrutiny of final bill
The Employer shall have a right to cause a technical examination of the works and the final bill of the Contractor including all supporting vouchers, abstracts etc. to be made at the time of payment of the final bill. If as a result of this examination or otherwise, any sum is found to have been overpaid or over-certified, it shall be lawful for the Employer to recover the sum.

4.33 Employer entitled to recover compensation paid to workmen
If, for any reason, the Employer is obliged, by virtue of the provision of the Workmen’s Compensation Act,1923, or any statutory modifications or re-enactment thereof to pay compensation to a workman employed by the Contractor in execution of the works, the Employer shall be entitled to recover from the Contractor the amount of compensation so paid, and without prejudice to rights of the Employer under the said Act. The Employer shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due by the Employer to the Contractor under this Contract or otherwise. The Employer shall not be bound to contest any claim made against it under the said Act, except on the written request of the Contractor and upon his giving to the Employer full security to the satisfaction of the Employer for all costs for which the Employer might become liable in consequence of contesting such claim.

4.34 Abandonment of Works
At any time after acceptance of the tender, the Employer shall, for any reasons whatsoever, not require the whole or any part of the works to be carried out, the Employer shall give notice in writing to the Contractor who shall have no claim to any payment of compensation or otherwise whatsoever on account of any profit or advantage which he might have derived from the execution of the whole works.
4.35 **Return of surplus materials**
Notwithstanding anything contained to the contrary in any or all the Clauses of this Contract, where any material for the execution of the Contract is procured with the assistance of the Employer by purchases made under orders or permits or licenses issued by Government, the Contractor shall hold the said materials economically and solely for the purpose of the Contract and not dispose of them without the prior written permission of the Employer and return it to the Employer, if required by the Employer, at the price to be determined by the Employer having due regard to the condition of the materials, the price to be determined not to exceed the purchase price thereof inclusive of sales tax, octroi and other such levies paid by the Contractor in respect thereof. In the event of breach of the aforesaid condition, the Contractor shall, in addition to being liable to action for contravention of the terms of licenses or permits and/or criminal breach of trust, be liable to the Employer for all moneys, advantages or profits resulting, or which in the usual courses would have resulted to him, by reason of such breach.

4.36 **Right of Employer to terminate Contract in the event of death of Contractor, if individual**
Without prejudice to any of the rights or remedies under this Contract, if the Contractor, being an individual, dies, the Employer shall have the option of terminating the Contract without incurring any liability for such termination.

4.37 **Marginal Notes**
The headings catch lines hereto and in the annexure hereto are meant only for convenience of reference and shall not in any way be taken into account in the interpretation of these presents and the annexure hereto.

4.38 **Sexual Harassment of women at work place:**
The Contractor / Agency shall be solely responsible for full compliance with the provision of "the Sexual Harassment of women at work place (Prevention, Prohibition and Redressal) Act, 2013.

a. In case of any complaint of sexual harassment against its employee within the premises of the Bank, the complaint will be filed before the Internal Complaints Committee constituted by the Contractor / Agency and the Contractor / Agency shall ensure appropriate action under the-said Act in respect to the complaint.

b. Any complaint of sexual harassment from any aggrieved employee of the contractor against any employee of the Bank shall be taken cognizance of by the Regional Complaints Committee constituted by the Bank.

TECHNICAL SPECIFICATIONS & SCOPE OF WORK

7.1 Scope of work: - Scope of work is to Supply, installation, testing & commissioning (SITC) of 125 KVA Diesel Generator Set with AMF Panel and Acoustic Enclosure with suitable foundation, complete with exhaust piping, earthing, Micro Processor Based AMF panel & all accessories, including submission of approval from local Regional Pollution Control Board and permission to run the generator (viz., consent to establishment and consent to operation). and handing it over to the Bank, thereafter.

7.2 Diesel Engine -

a) The diesel engines shall be of the direct injection, 4 cylinders Inline, with Radiator cooled, operating at a nominal speed of 1500 RPM, confirming to ISO 3046 / ISO 8528 / IS 1460 / BS 5514 and engine output not less than 114 KW at 100 % load and coupled to 125 KVA Alternator

b) The engine shall meet latest Government Emission Norms CPCB II

c) The engine fitments shall include but not be limited to the followings: -

i) Flexible coupling/Close Coupled alternator

ii) Dry type air filter with clogged condition indicator (The filter shall be easily approachable for maintenance).

iii) Radiator inbuilt in the common skid base frame and Engine suitable to run the DG set at an ambient of 50 Degrees centigrade, keeping the acoustic doors in closed condition

iv) Engine driven fuel pump.

v) Engine driven coolant pump.

vi) Engine driven lubricant Lube oil pump, oil cooler and filter. Also first fill of oil and coolant need to be supplied.

vii) Silencers with Hospital / Residential grade or as per standards manufacturer design.

viii) Suitable voltage D.C. Starter and battery charging alternator.

ix) Microprocessor based monitoring and control system capable of operator interface to the DG set manually and remote start/stop control and shut down fault indication shall be of electronic LCD type displaying Engine and Alternator parameters, compatible for BMS Integration through RS485.

x) The specific fuel consumption and tolerance shall be complying to relevant IS / ISO or as per standards manufacturer design.
xi) Daily fuel service tank as per the CPCB with minimum 300 liters capacity (standard integral tank). The location of the tank depends on standards manufacturing design.

d) The engine speed shall be regulated through Electronics Governing system which shall also provide the over speed protection. The AVR should have adjustable V/Hz feature to adjust and obtain best possible block loading capacity.

e) The generator sets shall have the following protection features in built in Controller:

- **Engine Safeties Features and Protection**
  - Low Oil Pressure Warning
  - High Coolant Temperature Warning
  - High Coolant Temperature Shut Down
  - Over speed Shut Down
  - Emergency Stop Shut Down
  - Fault Log

- **Electrical Safeties Features and Protection**
  - High AC Voltage Protection
  - Low AC Voltage Protection
  - Under Frequency Protection
  - Loss of Excitation

7.3 Engine Accessories

The following accessories shall be supplied with the DG set.

a) Common base frame for the Engine, alternator & radiator.

b) Anti-vibration mounts of reputed make of requisite quantity to be provided between Engine and base frame and also Alternator & Base frame.

c) Protective guards for all rotating parts is compulsory or as per standards manufacturer design.

7.4 Batteries

a) The batteries shall be of maintenance free type or standards Genset manufacturer design.

b) Battery shall be suitable for three successive starting attempts each of 10 seconds duration with a gap of 5 seconds between successive starts. The AH of batteries shall be as recommended by manufacturer.

c) The batteries shall be supplied and provided with standard automatic charger of suitable capacity to charge the batteries near D G Set.
7.5 Alternator

The Alternator should be horizontal foot mounted, single/double bearing, self-excited, brush-less, screen protected drip proof, continuous duty alternator conforming to IS 4722/ BS 2613 / IS 13364 (I & II) with Class "H" insulation suitable enclosure incorporating the following.

a) AVR to be part of the alternator.
b) Terminal box with both ends of each phase winding brought to terminals.
c) Single bearing/Double Bearing
d) Rated Power factor : 0.8(lag)
e) Rated voltage : 415 volts
f) Rated frequency : 50 Hz
g) No of phases : 3
h) Degree of protection : IP-23
i) Ventilation : self ventilated air cooled
j) Insulation class : H
k) Temperature rise : within class H limits rated loads
l) Voltage regulation : +/- 1%

7.6 AMF control panel

The Control panel shall be designed for ‘automatic on mains failure’ operation of the generator set. The panel shall be floor standing cubicle pattern, fabricated suitable thickness M.S. sheet treated with anti-corrosion and painted with two coats of approved quality shade synthetic enamel paint. Cable termination with required materials at existing source end (utility power supply), AMF panel end & alternator end are within the scope of work.

The panel shall be complete with inter connections, insulators, 2 Nos. earthing lugs and shall incorporate the following –
(1) Bus bar of electrolytic grade tinned copper with current density of 1.2 amp. per sq. mm
(2) Voltmeter 0-500 V
(3) Selector Switch Voltmeter - OFF/RY/YB/BR
(4) Ammeter of suitable scale - 0-250/300 A
(5) Selector Switch Ammeter - OFF/R/Y/B
(6) Mode Selector Switch OFF/AUTO/MANUAL
(7) Frequency Meter (Digital)
(8) Set of current transformer of suitable ratio
(9) Built-in, boost cum trickle Battery Charger consisting of- Transformer/Rectifier, DC Ammeter, DC Voltmeter, Charging rate selector switch etc.
(10) Digital KWh & KW meter, 3ph, 4W, 415V AC
(11) AMF relay with necessary protection
(12) Requisite quantity and suitable capacity 4P MCCB and 4P Power contactor with overload protection as per manufacturer standards design
(13) Necessary bus extension for terminating DG Cables.
(14) All other electrical/electronic components required for the functioning of the AMF control panel as per standards manufacturer’s design

7.7 Spares and Tools

The tenderers shall submit the list of standard tools and spares to be supplied along with the generating set (without any extra cost).

7.8 Erection - The scope of erection shall include for the supply and erection of the following.

- The engine and the alternator placed on a common base plate shall be mounted on sufficient numbers of suitable capacity ‘cushy foot’ or equivalent make anti-vibration mounts on a PCC plinth. PCC plinth as per site requirement will be constructed by the Bank.
- The diesel tank shall be mounted on a separate angle iron stand, away from the engine or inside the acoustic enclosure as an integral unit and necessary length of fuel piping, complete with end flare nuts etc. shall be supplied and installed.
- The batteries shall be mounted on a suitable size angle iron stand, duly painted, and provided with suitable rubber matting.
- Four numbers of plate earth stations conforming to IS 3043/1966 with copper earth plates, GI pipe, funnel; CI cover etc. (two for neutral earthing, two for equipment earthing) shall be provided.
- A silencer (as specified above) with necessary length of exhaust piping, complete with asbestos lining shall be provided from the engine exhaust complete with long bends, bird screens, etc. along with supports. After all the equipment’s are erected, they shall be given two coats of approved quality paint as may be required.

dated March 31, 2022 and your Special Conditions of Contract and other tender documents relating thereto
subject to the conditions and alterations mutually agreed upon the set forth or referred to in your Contract
dated in the form of guarantee from us in the manner hereinafter contained, we (Name of the Bank) do hereby covenant and agree with you as follows:

1. We undertake to indemnify you and keep you indemnified from time to time to the extent of
INR________ (INR ___________________ only) against any loss or damage caused to or
suffered by or that may be caused to or suffered by you by reason of any breach or breaches on
the part of the Contractor of any of the terms and conditions contained in the said Contract and in
the event of the Contractor making any default or default in carrying out any of the work under the
said Contract or otherwise in the observance and performance of any of the terms and conditions
relating thereto in accordance with the true intent and meaning thereof, we shall forthwith on
demand pay to you such sum or sums not exceeding in
total the said sum of INR________________ (INR________________ only) as may be claimed by you
as your losses and/or damages, costs, charges or expenses by reason of such default on the part
of the Contractor.

2. Notwithstanding anything to the contrary, your decision as to whether the Contractor has made any
such default or defaults and the amount or amounts to which you are entitled by reasons thereof will
be binding on us and we shall not be entitled to ask you to establish your claim or claims under this
Guarantee but will pay the same forthwith on your demand without any protest or demur.

3. This guarantee shall continue and hold good until it is released by you on the application by the
Contractor after expiry of the relative guarantee period of the said Contract and after the contractor
had discharged all his obligations under the said Contract and produced a certificate of due
completion of the work under the said contract and submitted a “No Demand Certificate”, provided
always that this guarantee shall in no event remain in force after the day of________________ without
prejudice to your claim or claims arisen and demanded from or otherwise notified to us in writing
before the expiry of six months from the said date which will be enforceable against us
notwithstanding that the same is or are enforced after the said date.

4. Should it be necessary to extend this guarantee on account of any reason whatsoever, we undertake
to extend the period of this Guarantee on your request till such time as may be required by you. Your decision in this respect shall be final and binding on us.

5. You will have the fullest liberty without effecting this guarantee from time to time to vary any of the terms and conditions of the said contract or extend the time of performance of the Contractor or to postpone for any time or from time to time any of your rights or powers against the Contractor and either to enforce or forbear to enforce any of the terms and conditions of the said Contract and we shall not be released from our liability under this guarantee by the exercise of your liberty with reference to matters aforesaid or by reason of any time being given to the Contractor or any other forbearance, act or omission on your part or any indulgence by you to the Contractor or by any variation or modification of the said contract or any other act, matter or things whatsoever, which under the law relating to sureties would but for the provisions hereof have the effect of so releasing us from our liability hereunder provided always that nothing herein contained will enlarge our liability hereunder beyond the limit of INR____________________ (INR ___ only) as aforesaid.

6. This guarantee shall not in any way be affected by your taking or varying or giving up any securities from the Contractor or any other person, firm or company on its behalf or by the winding up, dissolution, insolvency or death as the case may be, of the Contractor.

7. In order to give full effect to the guarantee herein contained you shall be entitled to act as if we were your principal debtors in respect of all your claims against the Contractor hereby guaranteed by us as aforesaid and we hereby expressly waive all our rights of suretyship and other rights, if any, which are in any way inconsistent with any of the provisions of this guarantee.

8. Subject to the maximum limit of our liability as aforesaid, this guarantee will cover all your claim or claims against the contractor from time to time arising out of or in relation to the said contract and in respect of which your claim in writing is lodged on us before expiry of six months from the date of expiry of this guarantee.

9. Any notice by way of demand or otherwise hereunder may be sent by special courier, telex, fax or registered post to our local address as aforesaid and if sent by post, it shall be deemed to have been given when the same has been posted.

10. This guarantee and the powers and provisions herein contained are in addition to and not by way of limitation of or substitution for any other guarantee or guarantees heretofore given to you by us (whether jointly with others or alone) and now existing uncancelled and that this guarantee is not intended to and shall not revoke or limit such guarantee or guarantees.

11. This guarantee shall not be affected by any change in the constitution of the contractor or us nor shall it be affected by any change in your constitution or by any amalgamation or absorption thereof or therewith but will ensure to the benefit of and be available to and enforceable by the absorbing or amalgamated company or concern.

12. Any forbearance, act or omission on the part of the Bank in enforcing any of the conditions of the said tender or showing of any indulgence by the Bank to the Tenderer shall not discharge the Surety in any way and the obligations of the Surety under this guarantee shall be discharged only on the intimation thereof being given to the Surety by the Bank.

13. This guarantee is irrevocable during the period of its currency and shall not be revoked without your previous consent in writing.
14. We further agree and undertake to pay you without demur the amount demanded by you in writing notwithstanding any difference or dispute or controversy that may exist or arise between you and contractor or any other person.

15. Notwithstanding anything contained herein above our liability under this guarantee is restricted to INR __________________________only). Unless a written claim is lodged on us for payment under this guarantee within six months from the date of expiry, including extensions if any, of this guarantee all your rights under the guarantee shall be forfeited and we shall be deemed to have been released and discharged from all liabilities thereunder, irrespective of whether or not the original guarantee is returned to us.

16. We have power to issue this guarantee in your favour under the Memorandum and Articles of Association of our Bank and the undersigned has full power to execute this Guarantee under the Power of Attorney granted to him by the Bank.
