

**Reserve Bank of India  
Department of Information Technology Cell  
Jammu**

**Annual Maintenance Contract (AMC) of  
Computer Hardware, Software & Peripherals**

Reserve Bank of India, Jammu invites separate Technical and Commercial Bids in sealed covers and superscribed as “Quotation for AMC of Computer Hardware, Software and Peripherals – Technical Bid “ and “Quotation for AMC of Computer Hardware, Software and Peripherals–Commercial Bid “ respectively from the interested firms/ vendors, who are engaged in providing Maintenance service for Computer Hardware, Software and Peripherals..

Vendors, fulfilling the eligibility criteria and who are desirous of being included in the Bank’s panel of vendors, may apply in the prescribed form given in Annex I. These forms can be downloaded from RBI website ([www.rbi.org.in](http://www.rbi.org.in)) under link ‘Tender’ and can also be obtained from Department of Information Technology Cell, Zero floor, Reserve Bank of India, Rail Head Complex, Jammu-180012 at the cost of Rs.200/- (Rupees two hundred only).

1. Deviations to the terms and conditions, if any, shall be clearly mentioned by the vendor in the Technical Bid. No terms and conditions should be stipulated in the Commercial Bid, which is meant only for the quotation of offer price/ rate. The Bank reserves the right to reject an offer on account of any deviation.

For Technical Bids, the prescribed forms (Annex I) duly filled in should be submitted in duplicate, along with Client’s & Banker’s Certificates (formats given in Annexure-II & III), details of engineer/s (Annex IV) and undertaking certificate (Annex V), to the Regional Director (Jammu and Kashmir), Department of Information Technology Cell, Zero floor, Reserve Bank of India, Rail Head Complex, Jammu so as to reach not later than **June 15, 2015 (3:00 PM)**. The format of Commercial Bid is given in Annexure VI.

Contractors already empanelled and those whose applications have earlier not been considered favorably are also required to submit applications afresh.

**Scope of the Work**

1. The Bank has a heterogeneous (make/model) set of Servers, Computers, Laptops, Printers, Projector and Scanners. The servers operate on Windows 2000/2003/2008 Advance Server as operating system. Other computer systems and laptops operate on Windows OS. The bank also has a heterogeneous set of Network printers, desktop printers (laser jet and ink jet), dot matrix printers and scanners. These computer peripherals will be covered with a comprehensive AMC contract under which, preventive maintenance, corrective maintenance, replacement of parts, shifting of components will have to be carried out.

## 2. Maintenance

### (a) Preventive Maintenance

The preventive maintenance service of the components is as important as prompt corrective maintenance service. Since regular and proper preventive maintenance service ensures trouble-free performance of the components, the vendor should provide for at least one preventive maintenance schedule per quarter. The scope of preventive maintenance will also cover aspects related/specific to hardware like health check of HDDs, Controllers, Power Supplies (SMPS) etc. The time for such schedules will have to be specified in advance in consultation with the user department. Preventive measure is done in such a way that the same would not affect the normal functioning of systems.

### (b) Corrective Maintenance

The corrective maintenance means identification of problem and its rectification which may include reloading of operating system, reloading/configuring of printer, reloading/loading of application software either developed in-house or developed by the 3rd party, printer drivers, anti-virus agent, smart card reader drivers, etc and shall be performed according to the working hours.

### (c) Replacement of Defective Parts

The replacement of defective parts (electrical/mechanical/others) means either repair or replacement of parts at the site of installation. If the fault is of serious nature and requires shifting of the component/s or any part thereof, the vendor should provide similar component/s or part/s for uninterrupted continuation of work in the Bank, till the reinstallation of the component/s or part/s which was shifted for repair/replacement. The defective part can be replaced/repared either without any cost to the Bank or at the Bank's cost. The components for which parts will be repaired/replaced at Bank's cost will be categorized as under "Service Contract" instead of the AMC. (The defective part if has to be replaced at the Bank's cost, has to be certified by OEM that defective part is irreparable.)

## 3. Shifting of Components

The shifting of components means moving the components from one place to the other place for carrying out the repair work. This can be either of the following categories

- a) Within Bank Premises: The vendor should arrange for shifting of component from one department to the other to carry out repair work.
- b) The vendor should arrange for shifting of component from the Bank to the vendor's place and vice versa.
- c) From other locations as specified by Bank.

4. In case of systems covered under warranty which are not under the purview of

AMC, the service engineers shall escalate the service call to the concerned vendor and take up necessary follow up activities for the same and also intimate the IT Cell officials regarding the call details.

**Place of Work:** Computer hardware and software installed at Reserve bank of India, Rail Head complex, Jammu and Reserve Bank of India staff colony at Trikuta Nagar, Jammu.

**Time Allowed:** One year contract from July 01, 2015 to June 30, 2016 extendable on a yearly basis for a maximum of two years subject to satisfactory performance of the service by the contractor. It shall be open to either party to terminate the agreement by giving three month notice to other party in writing.

**Terms and Conditions**

1. The AMC will be for a period of three years subject to satisfactory service. If the service provided by the vendor is found to be unsatisfactory /deficient or if at any time it is found that the information provided for AMC is false, the Bank reserves the right to remove such vendors from the list.
2. The firms downloading the application form will have to deposit Rs.200/- as tender cost on or before the last date of submission of the application; failing which the application will not be entertained.
3. Technical and commercial bids must be quoted separately. The Commercial Bid should be submitted in the format given in Annexure VI. The bid should be submitted against each item so given in the list. Commercial Bid should not contain any conditions.
4. Commercial Bids of only those firms shall be opened which fulfil the eligibility criteria.
5. The Payment towards maintenance charges will be made at quarterly interval after completion of the quarter. The bill should be submitted at the end of each quarter along with satisfaction report from concerned users/ officials at each location.
6. The Bank reserves the right to inspect / verify the facilities of the vendor and the genuineness/ authenticity of the details given in the application.
7. Vendor will be responsible to ensure that the application reaches to Bank on or before the due date and time. Applications received after the due date and time or incomplete in any respect will be rejected and in this regard no correspondence will be entertained.
8. The Bank reserves the right to reject any or all the applications without assigning any reason thereof and will not entertain any correspondence in the matter.

For any clarifications, following officers of Department of Information Technology Cell, Reserve Bank of India, Rail Head Complex, Jammu-180012 may be contacted:

1. Sh. Dinesh Gupta, Manager  
Tel : ( 0191)-2474883

## **Eligibility for Annual Maintenance of Computer Hardwares, Softwares & Peripherals**

1. The firm should submit valid ISO 9001:2000 certification for AMC of computer and peripherals.
2. The vendor's clientele should include banks, financial institutions, Government undertakings or other reputed concerns and should have adequate infrastructure at Jammu with good reputation in the market.
3. The vendors should have minimum experience of three years in the field of maintenance of Computer Hardwares, Softwares and Peripherals
4. The Vendor should have minimum turnover of Rs 1.00 lakh in each of the last 3 years.
5. The vendor should have adequate number of qualified technicians / engineers.
6. The vendor should have the capabilities to handle AMC for all brands and types of computer hardware like PCs (desktops and laptops), servers and printers.
7. Maintenance will also cover facility like installation / maintenance of system software, RDBMS software, Oracle, Database management, installation of software for digital signature / certificates, win NT systems, Unix OS, all editions of windows operating systems, backup & restoration work, maintenance of servers and related all software management (except for the user application software), technical support for.
8. The Vendor will provide insurance cover to its workmen/ resident engineers in the Bank. The workmen/ engineers or their legal heirs shall not claim any insurance benefit from the Bank in case workmen/ engineers suffer any loss or damage to their life or person or property while working in the Bank premises.
9. The Vendor shall ensure compliance to all the obligations arising under the Contract Labour (Regulations & Abolition) Act, 1970, Minimum Wages Act, Workmen's Compensation Act, 1923 and other labour laws prevailing in the country. In the event of any liability arising on account of any breach or non-compliance of statutory requirements by the contractor, the Bank would have the right to reimburse itself by way of adjustment from the vendor's pending bills or otherwise recover it through available legal means, to the extent of the loss suffered by it as a consequence of the same.

**Application form for Maintenance of Hardware, Software and Peripherals**

<b>SI No.</b>	<b>Particulars</b>	<b>Details to be furnished</b>
1	Name of the vendor / company
