1.3. Purpose

These directions are issued with a view to providing a framework for scheduled/ licensed banks/ primary dealers /authorised PSPs enabling them to apply for membership of payment systems. 2.1.1 There will be two sets of access criteria viz., one for *centralised payment systems* and the other for *decentralised payment systems*. The centralised payment systems will include Real Time Gross Settlement (RTGS) System and National Electronic Fund Transfer (NEFT) system and any other system as may be decided by RBI from time to time. 2.1.2 Membership to the centralised and decentralised payment systems will be open to all scheduled/ licensed banks. Unlicensed banks can continue to participate in the decentralised payment systems as sub-members. Co-operative societies cannot be

either direct members or sub-members in any payment system.

2.1.3 Notified institutions like Post Office Savings Bank will as hitherto be eligible for membership in decentralised payment systems.

2.1.4 Primary Dealers will also be eligible for RTGS membership subject to the extant regulations and recommendations of the regulatory department concerned. For clearing organisations/ PSPs and other entities, the RBI would consider membership requests on a case-to-case basis.

SECTION IV

4. Sub-membership facility

4.1 Sub-membership is an alternate mechanism to all scheduled/ licensed banks which have the technological capabilities but are not participating in payment systems on

account of either not meeting the access criteria or because of cost considerations.

4.2 Sub-membership of Centralised Payment Systems: The sub-member/s would participate in the centralised payment systems through their sponsor bank which is a direct member of the centralised payment system. Sponsor bank has to ensure the following:

- (a) There are no restrictions on the number of sub-members a sponsor bank could sponsor. Aspects relating to operational feasibility, risk mitigation, fund settlement, collaterals, etc., have to be taken care of by the sponsor bank before sponsoring sub-member/s.
- (b) The sponsor bank should put in place a risk management framework and a system of continuous monitoring of the risk management practices of sub-member/s that they desire to sponsor. The risk management framework should be approved by the Board of the sponsor bank.
- (c) The sponsor bank would be responsible for sending/ receiving the transactions/ messages on behalf of their sub-member/s.
- (d) The settlement of transactions by/on the sub-members would take place in the settlement accounts of the sponsor bank maintained with RBI. The sponsor bank under this arrangement will assume complete responsibility for the settlement of all transactions by/on the sub-members.
- (e) The sponsor bank at all times should ensure that their sub-member/s adhere to and abide by the rules, regulations, operational requirements, instructions, orders, decisions, etc. of the centralised payment systems, as laid down by the RBI from time to time.
- (f) Redressal of all customer complaints/grievance would be the responsibility of the sponsor bank. To aid in this process, the sponsor bank should ensure that the sub-member/s have put in place a transparent and robust mechanism to resolve customer complaints in a quick and efficient manner, as laid down in the procedural guidelines, business rules and regulations of the centralised payment systems.
- (g) All disputes between the sponsor bank and the sub-member/s will be handled bilaterally amongst them.
- (h) In order to ensure compliance with the timely credit and return disciplines which are of utmost importance in centralised payment systems, branches of sub-member/s that are not under core banking system shall be kept out of the centralised payment systems till such time they are brought under core banking.
- (i) The sponsor bank should bring to the immediate notice of the RBI:
 - any involvement of its sub-member/s in any suspicious transactions, frauds, etc.;
 - any of its sub-member/s resorting to any unfair practices relating to their participation in centralised payment systems;
 - any of its sub-member/s not adhering to the rules, regulations, operational requirements, instructions etc. of centralised payment systems.

- (j) The sponsor bank is not required to take prior approval of the RBI for sponsoring a sub-member/s or cessation of its sub-member/s in the centralised payment systems. However, as and when a bank sponsors sub-member/s or cease to act as sponsor bank of sub-member/s, it should immediately inform the Regional Director, Mumbai Regional Office, Reserve Bank of India, the details of the sub-member/s, IFSC/MICR codes allotted to the branch/branches of sub-member/s, date of commencement/ discontinuation of sub-membership etc.
- (k) The charges for customer transactions of sub-member/s cannot exceed the charges applicable to customers of sponsor banks/direct members of the centralised payment systems viz., RTGS and NEFT.

4.3 Sub-membership of Decentralised Payment Systems: The sub-member/s would participate in the decentralised payment systems through their sponsor bank subject to the regulation 10, 12, 15 and 16 of URRBCH which is available at the RBI website at following link-

[https://rbi.org.in/Scripts/OccasionalPublications.aspx?head=Uniform Regulations and Rules for Bankers Clearing Houses](https://rbi.org.in/Scripts/OccasionalPublications.aspx?head=Uniform%20Regulations%20and%20Rules%20for%20Bankers%20Clearing%20Houses)

SECTION V

5. Review of Membership

- 5.1** Once an entity is admitted as a member, it will generally continue to be a member so long as it is permitted to accept deposits or its participation in the payment system is not found to be detrimental to the smooth functioning of the product/ system in any manner or its membership is not suspended/ revoked/ terminated as per the rules, regulations and guidelines of the respective payment systems.
- 5.2** RBI will have the authority to determine if a member can continue to participate in payment systems. RBI will have the right to revoke, or suspend the access of an entity to any of the payment system, if its continuation is felt to be detrimental to the smooth functioning of the payment systems in any manner.
- 5.3** Where concerns have been expressed on the financial conditions of an entity, in such cases, RBI could initiate measures which may also include limits on presentations by such entities in the clearing house. The limits on presentations for such entities would be decided in consultation with the concerned regulatory/ supervisory department/s and/or the President of the clearing house.
- 5.4** In the event of an entity which has access to payment systems, (and has a current account, SGL/IDL-SGL/CSGL account, NDS-OM/CALL membership, INFINET membership), being subsequently debarred from the payment systems or downgraded in access to the payment systems, the continuation or otherwise of the other accounts/ membership will be decided by RBI separately.
